Mr. Ed Eveland, Wilson High School

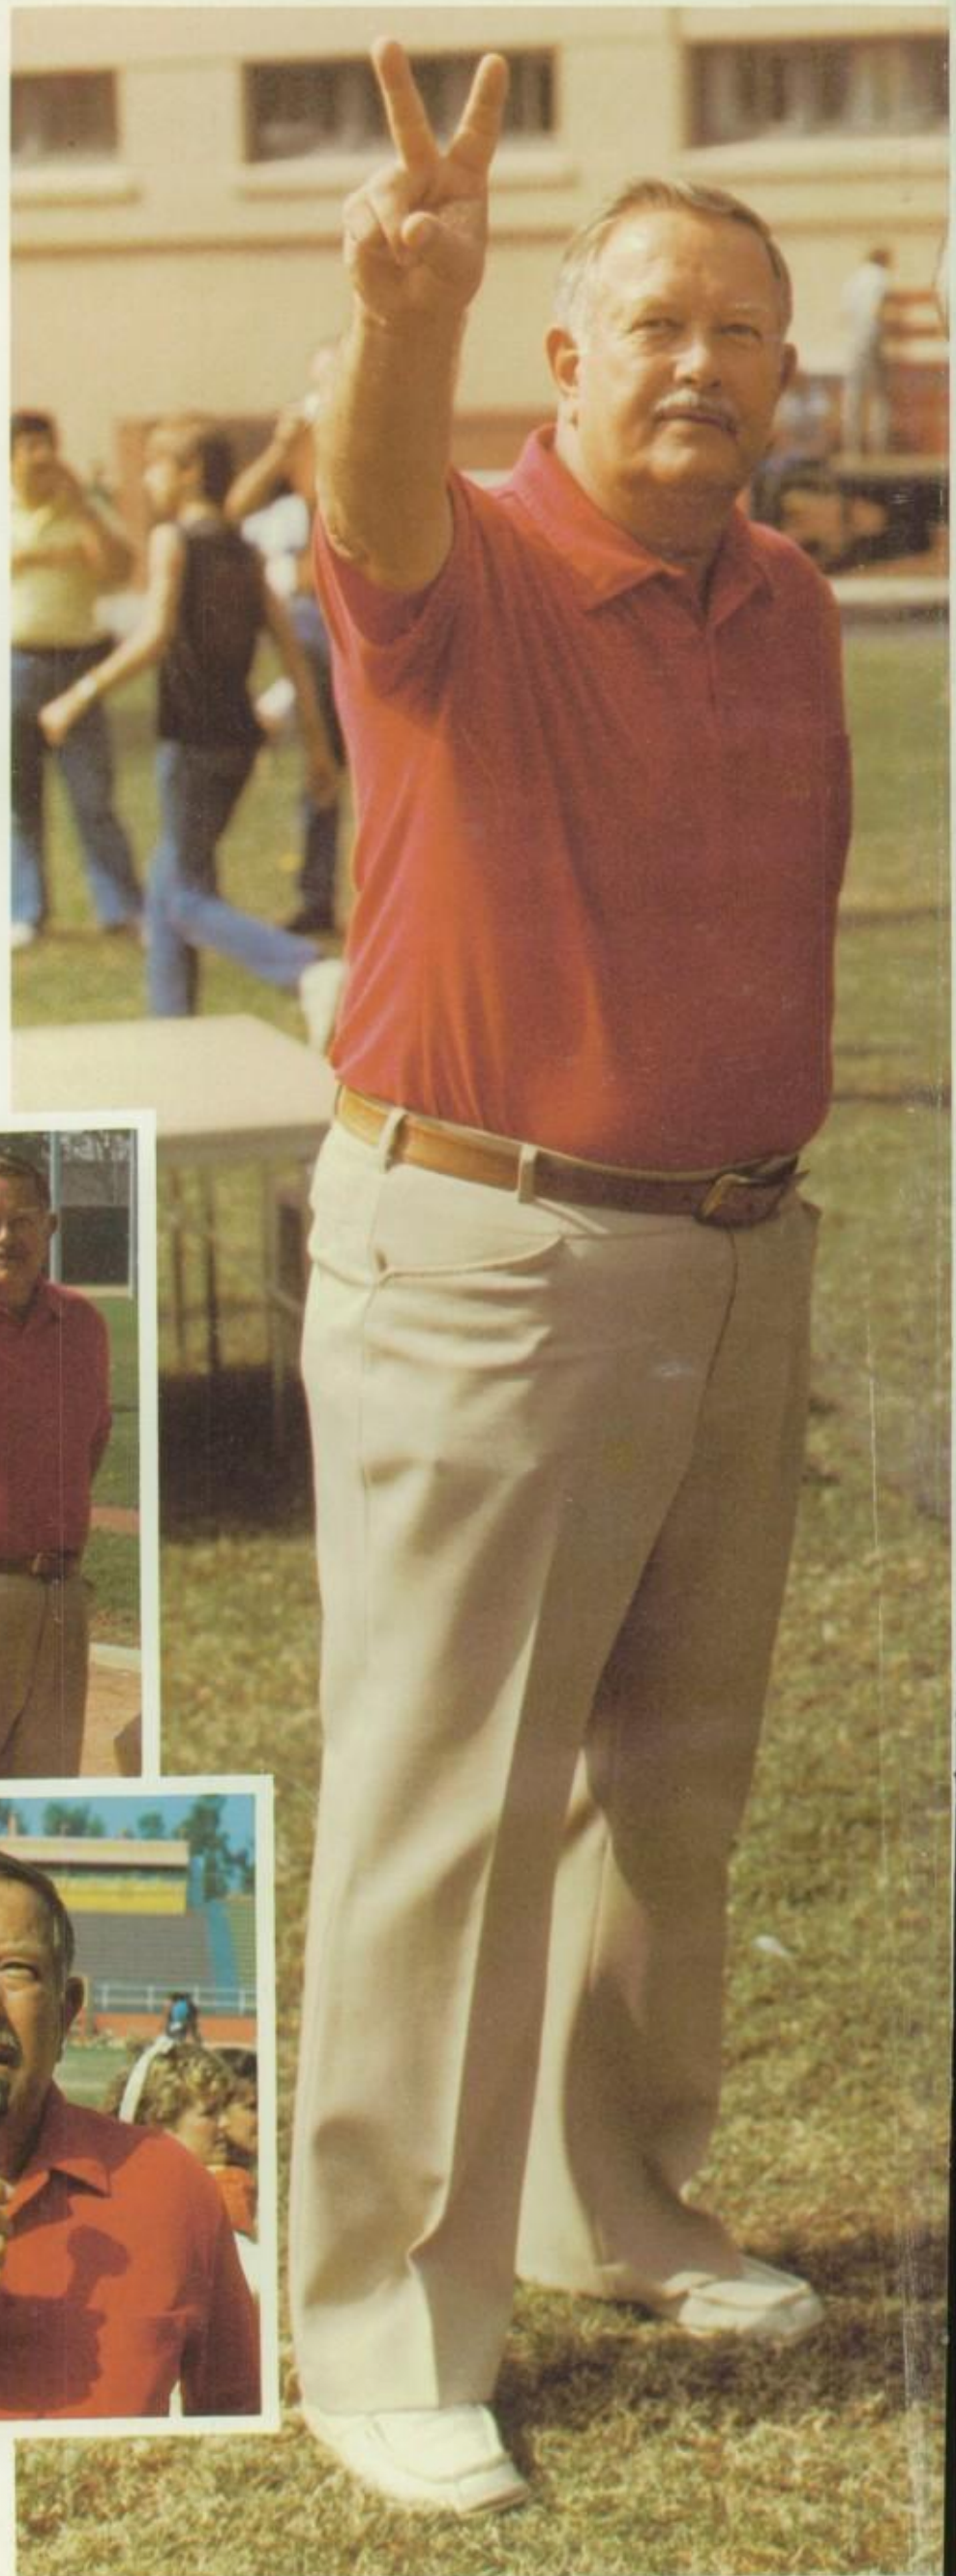

This year we, the Campanile staff, have decided to dedicate this yearbook to Mr. Ed Eveland, because of his never ending love and spirit for Wilson.

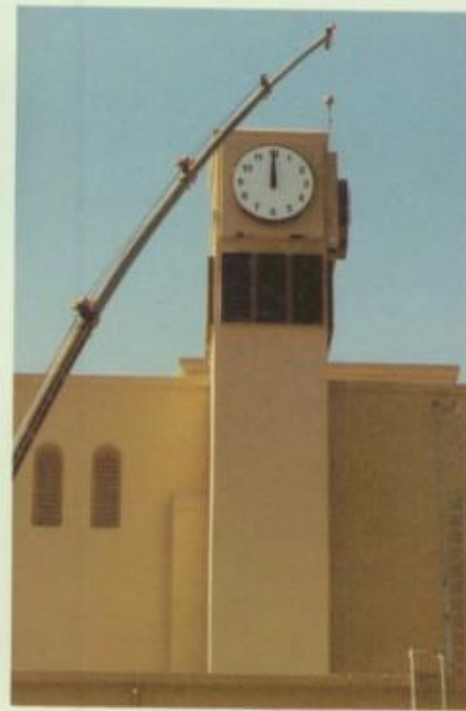

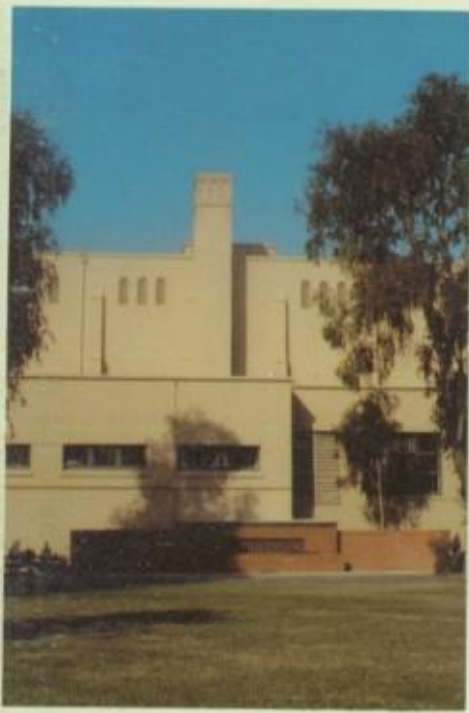

A dedication seems only appropriate, since Mr. Eveland has been so dedicated to Wilson. He has been a teacher, friend and principal to Wilson. His spirit is evident at many of our sports events and other activities through the years, cheering us on in our quest for victory.

Mr. Eveland has recently achieved a victory of his own. His dream was to see the Campanile Tower stand proudly once again and ring a welcome to all. With some help of Booster Club and private donations, it became a reality.

Once again, a warm-felt bear-hug to our beloved principal for all his care, love, and support.

by Tricia Krause

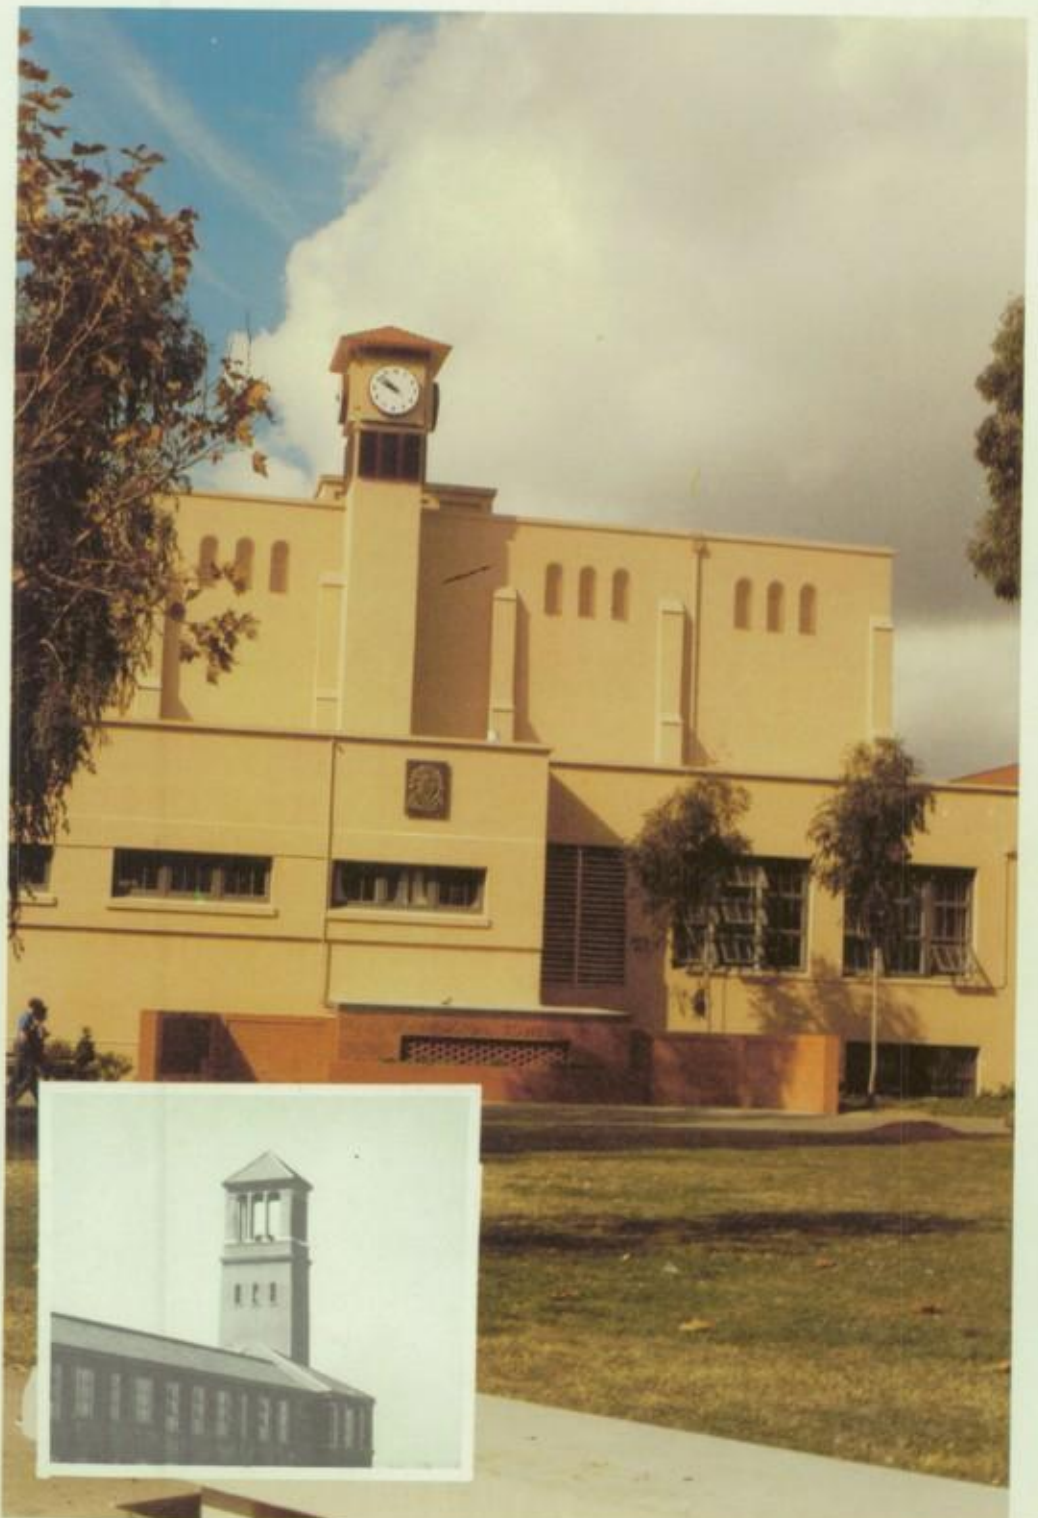

50 YEARS LATER

After a 50 year absence, the Campanile Tower has returned to Wilson. The 1933 earthquake did extreme damage to Wilson, including the destruction of our Wilson trademark, the Campanile Tower.

With a donation of \$10,000 from Dr. Frank Blair, the dream of reconstruction became a realistic goal of our principal, Mr. Eveland. Additional support was given by enthusiastic students and staff, the Booster Club, and several alumni and community members who made private donations.

Once Wilson obtained the financial means of reconstructing the tower, the project commenced rather quickly. Today we can hear the beautiful chimes ring out each hour along with the spirited *Wilsonia*, adding beauty to both Wilson and our community.

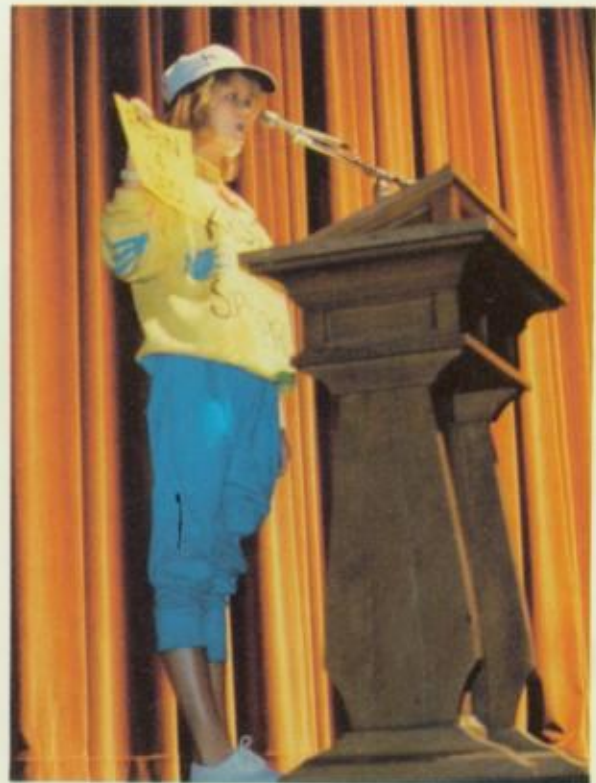

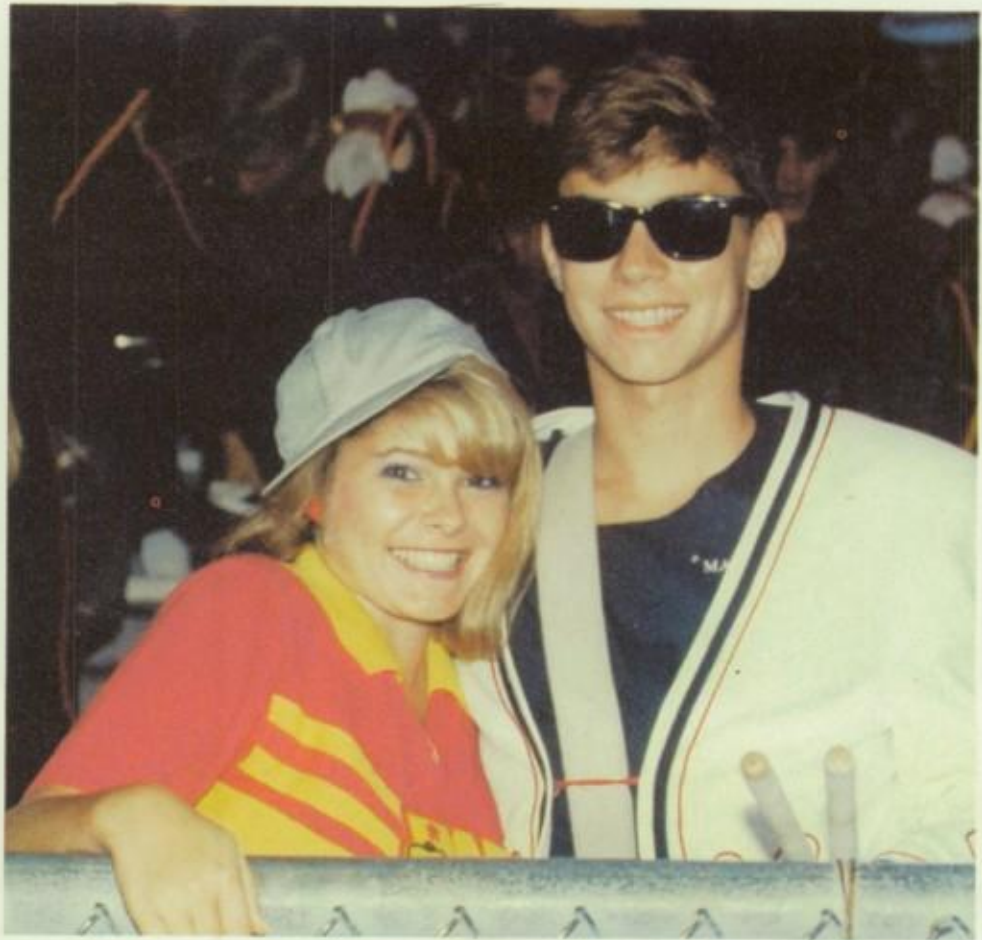

From the frantic preparations for the Homecoming Carnival to the slow procession of graduation, a sensation of spirit and pride was always among us. It was the best of times. We laughed and cried at "David and Lisa" and our mighty Bruin band marched on strong. At Homecoming, alumni brought back spirit while students dragged their sleep-starved bodies around campus. Yet time wasn't a factor as it flew by all of us. Rallies, music and drama productions, and the Spring Faire filled our days, and before we knew it, our time had run out.

The Best of Times

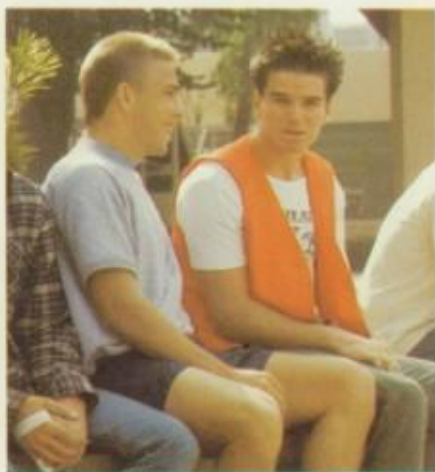

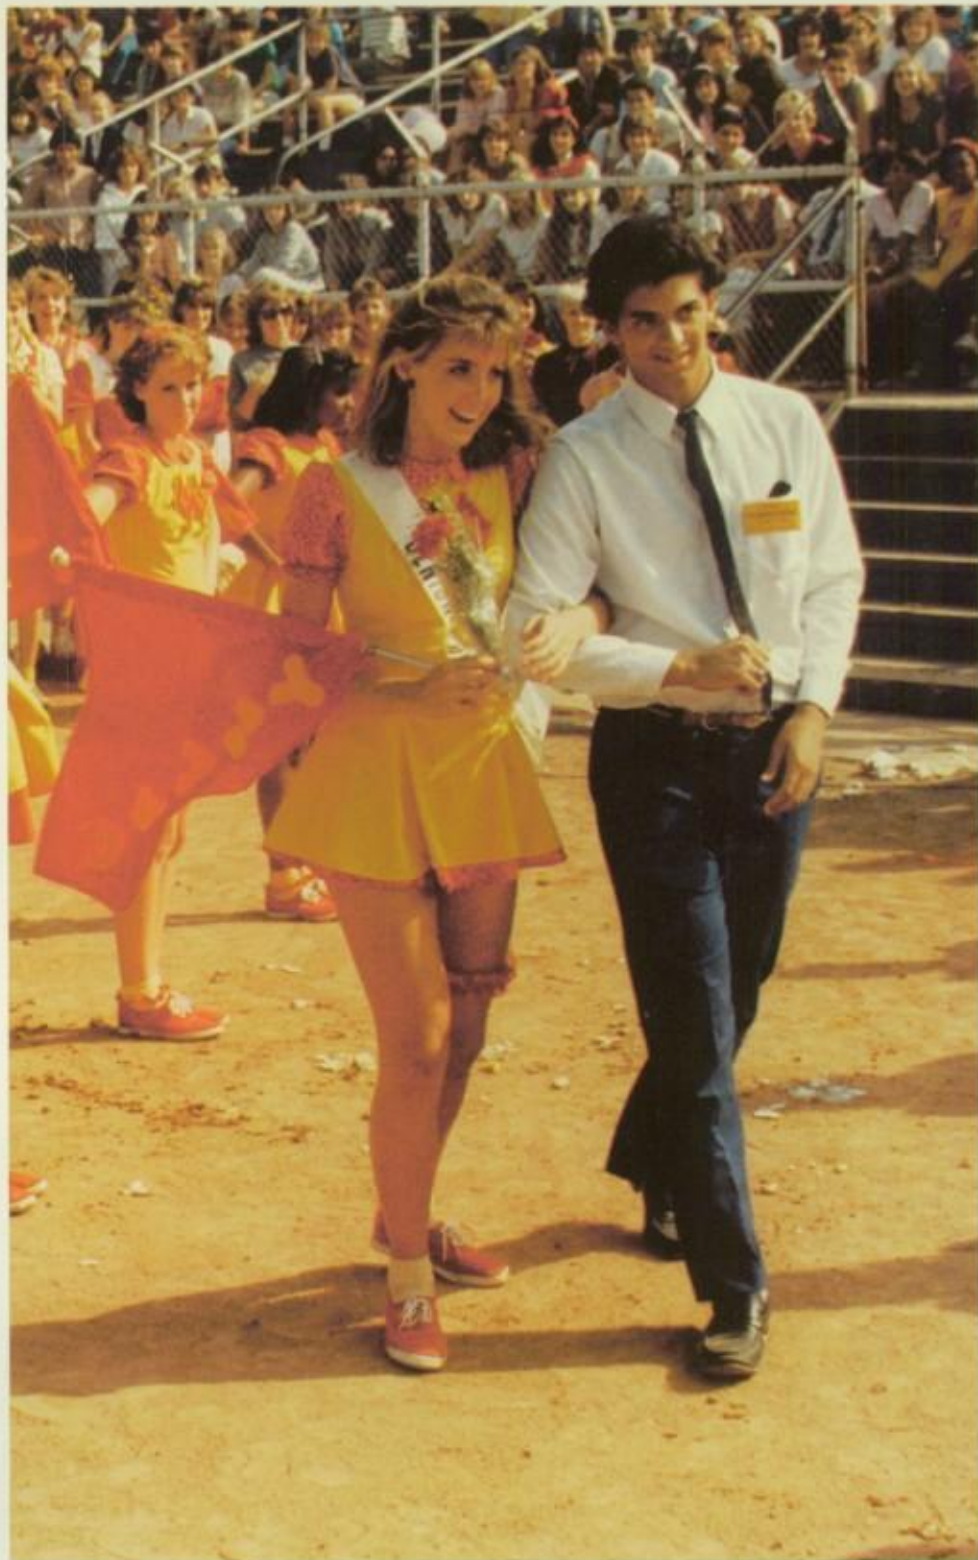

We've Only Just Begun

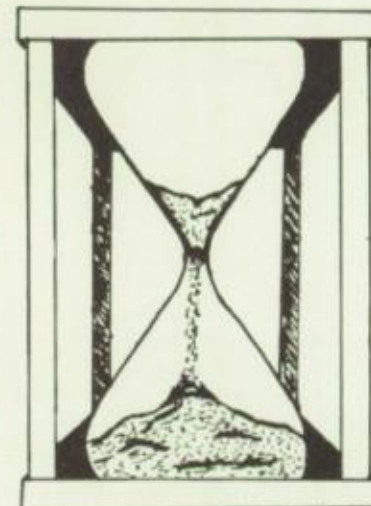

For many Senior Bruins, school has become a habit, and one not easily beaten. For twelve years bonds have been made, and now the time has come to loosen some of these bonds.

Sentimentalists, sorry that school is over, looked upon high school as the best time of their lives. Many, on the other hand, were relieved that school had ended. Either way, when that final bell sounded and the chimes were heard for the last time we all realized that some relationships would end.

We are the Class of '84, and have memories unique to our class. A CIF winning water polo team in our sophomore year, chickens in the quad in our junior year, and being the first class in fifty years to graduate with the Campanile Tower behind us are all memories as individual as we are.

Our Voyage Through Time

Time for Back Jr.

All activities were not limited to our campus. We played, worked and relaxed during our "Time-Off" in our usually pleasant Southern California weather. Beach fever got us on hot days as that crisp, salty breeze enveloped our noses and teased our minds with pictures of the waves that played less than two miles away. The Camp Hi-Hill weekend, working and just fooling around, filled our free time quickly until it was gone.

TIME O F F

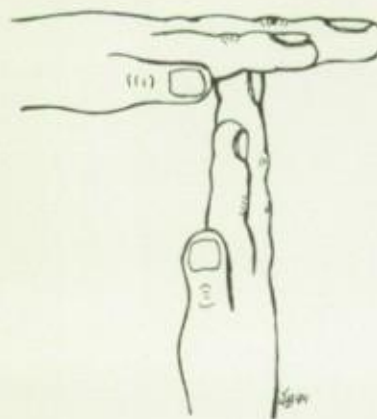

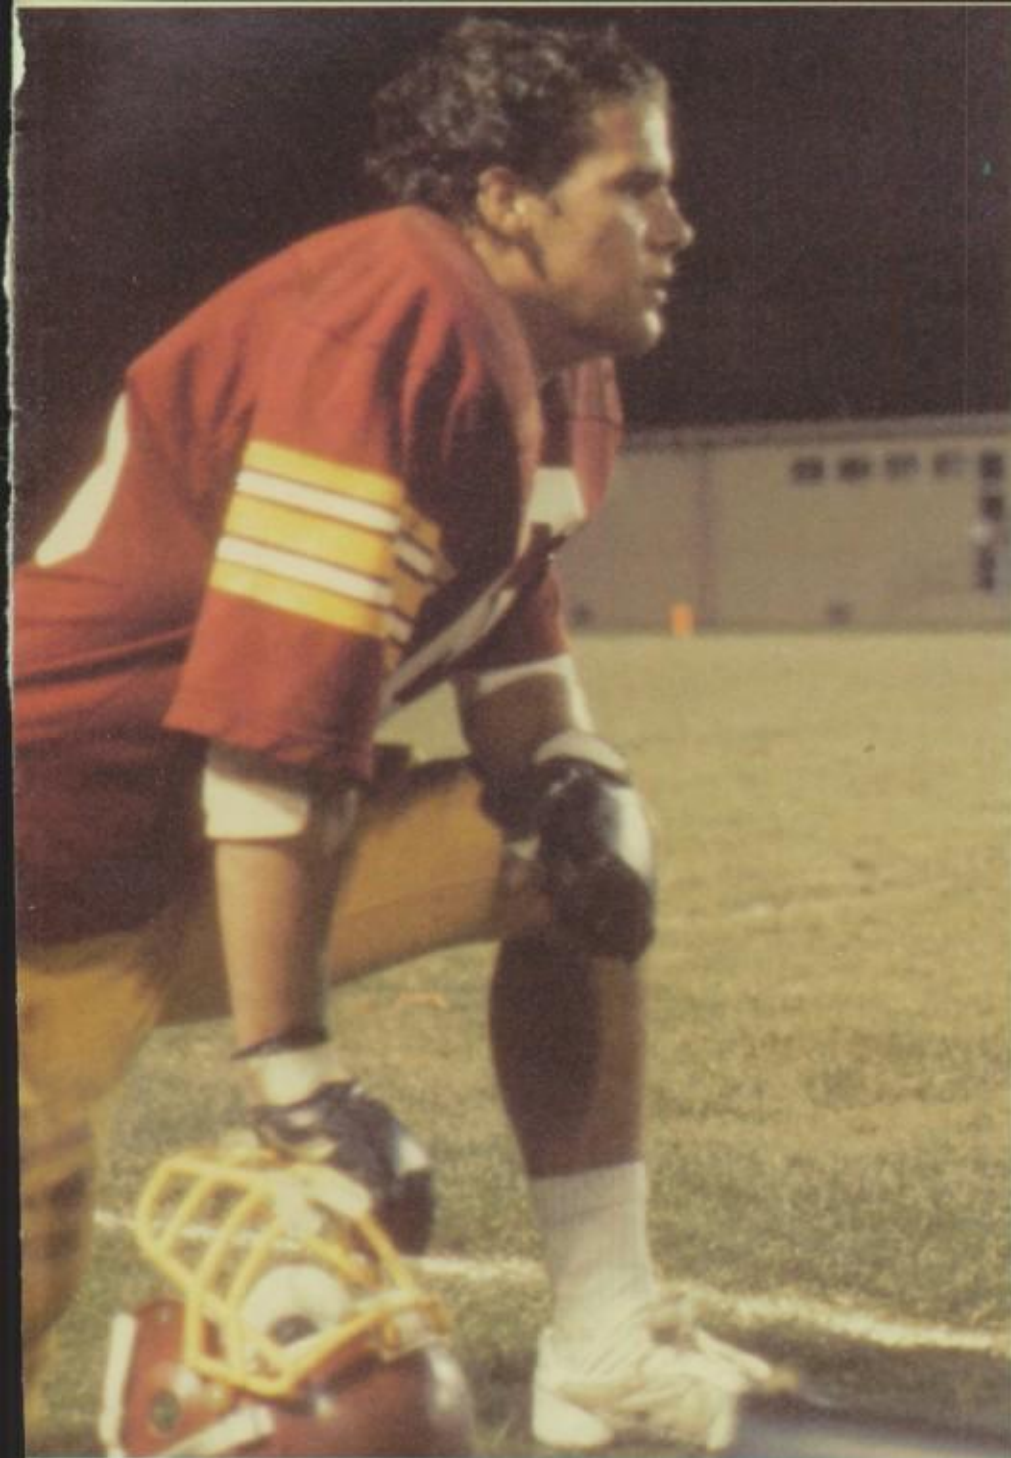

TIME OUT

While most students headed to their seventh period classes, the more athletically minded headed toward the locker rooms. Whether dressed in leotards or in football pads, the competitive spirit was brought out in all of us. We fought hard and stayed in games even when it seemed we had lost, and turned many games around in the final seconds.

This year our water polo team, as expected, won the Moore League title, as did our 'Red Hot Together' volleyball team. Our girls' cross-country squad outran our Moore League competitors, and our girls' tennis team aced every serve on the way to their playoff berth. Through our never-ending spirit and our time devoted to practice and more practice, we excelled as never before.

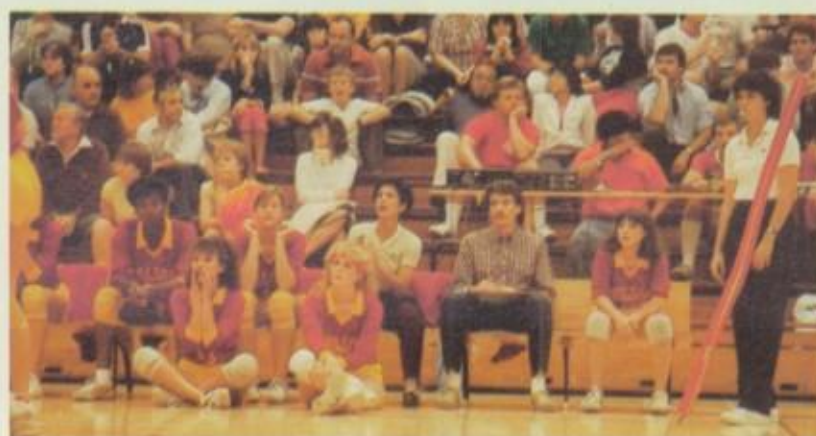

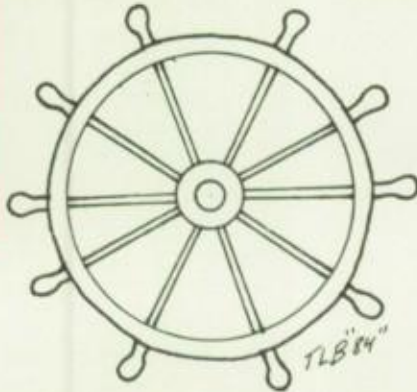

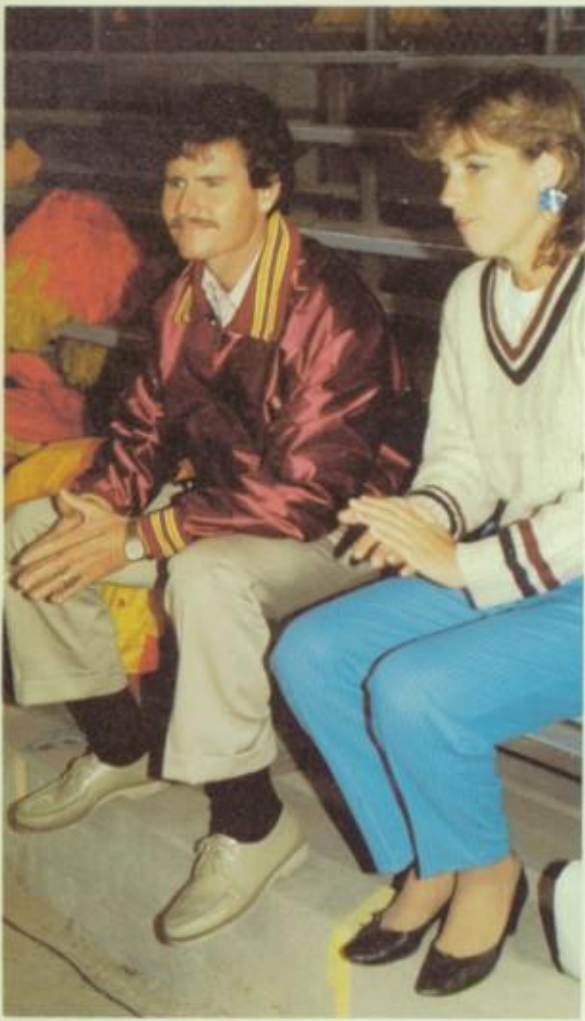

Learning Time

With the arrival of the school year in September, so came some tough new attendance policies. School started at 7:58, two minutes earlier than last year, and the new tardy policy was in effect. If your GPA was below a certain standard, no extracurriculars for you. With so many new policies, our teachers and administrators became public enemies, but that

was only on the surface. Deep down we all had our favorites that taught more than the subject or pushed us to our abilities. We'll remember each for what they gave us individually. From Mr. Woitovich flipping pancakes to Mrs. Whelton and her always helpful attitude, they will be remembered with smiles and memories.

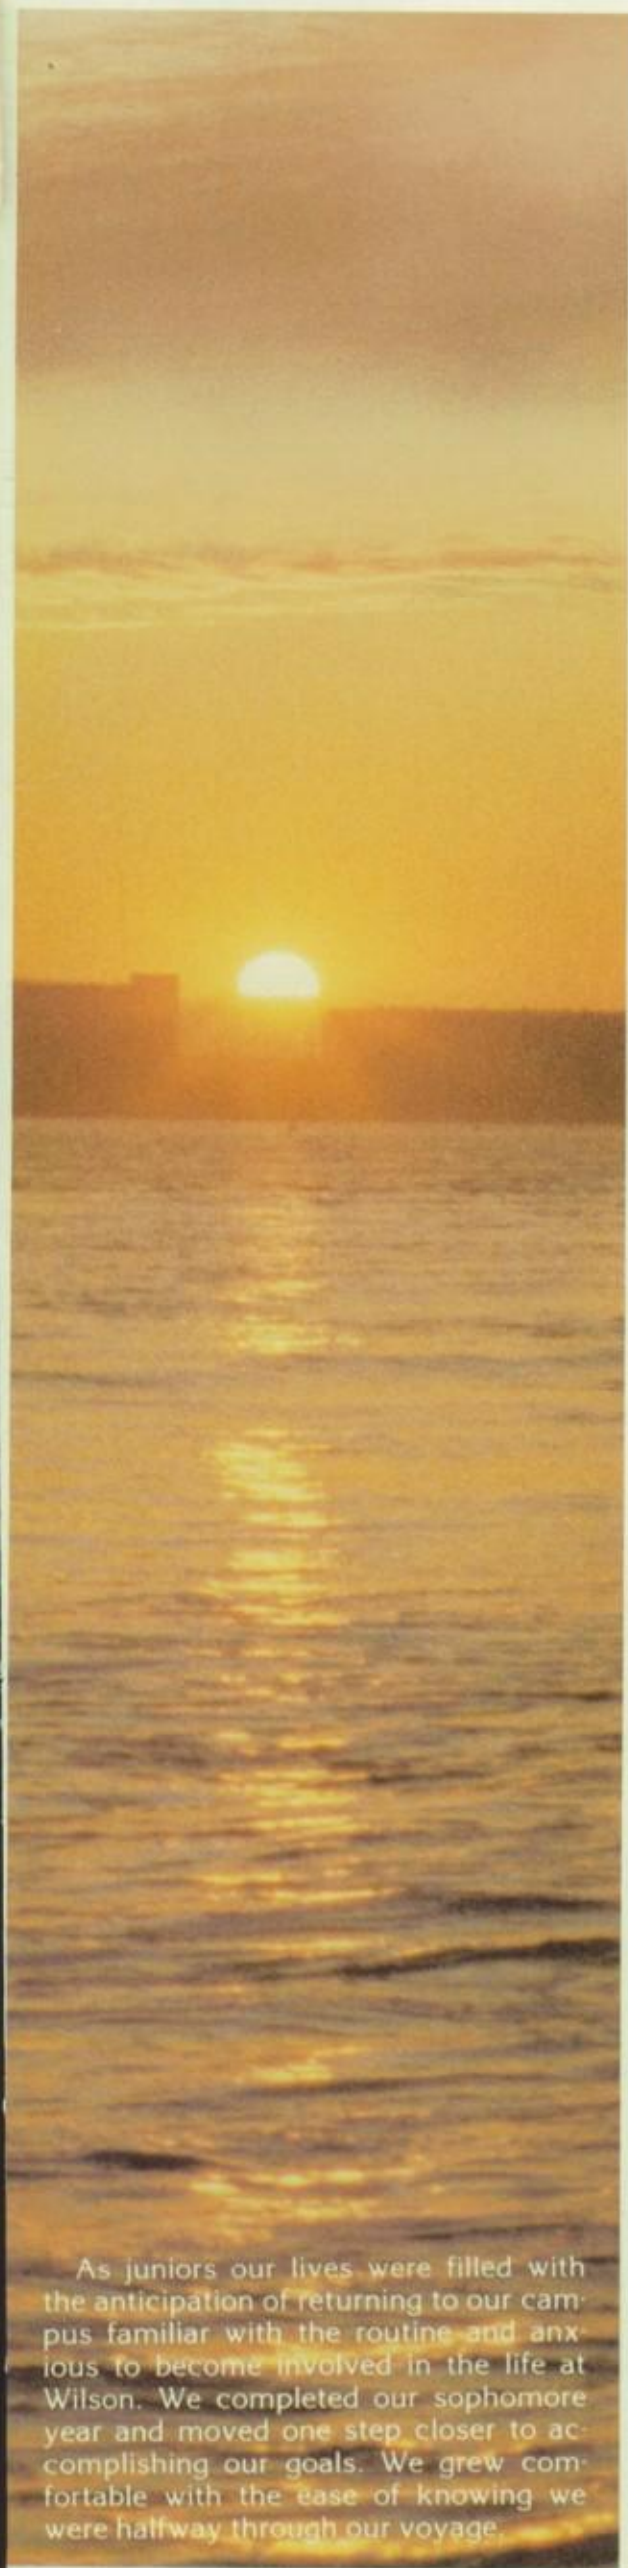

As seniors, we have sailed through our high school voyage with energy, determination, and dignity. We up held the high standards of Wilson and left our mark on these hallowed halls. We prided ourselves on our athletic and academic contributions. We have worn our colors well and have braved both stormy and tranquil seas. We can be proud because we have learned, loved, and lived a most wonderful adventure. We have and always will be shaped by our time at Woodrow Wilson High School.

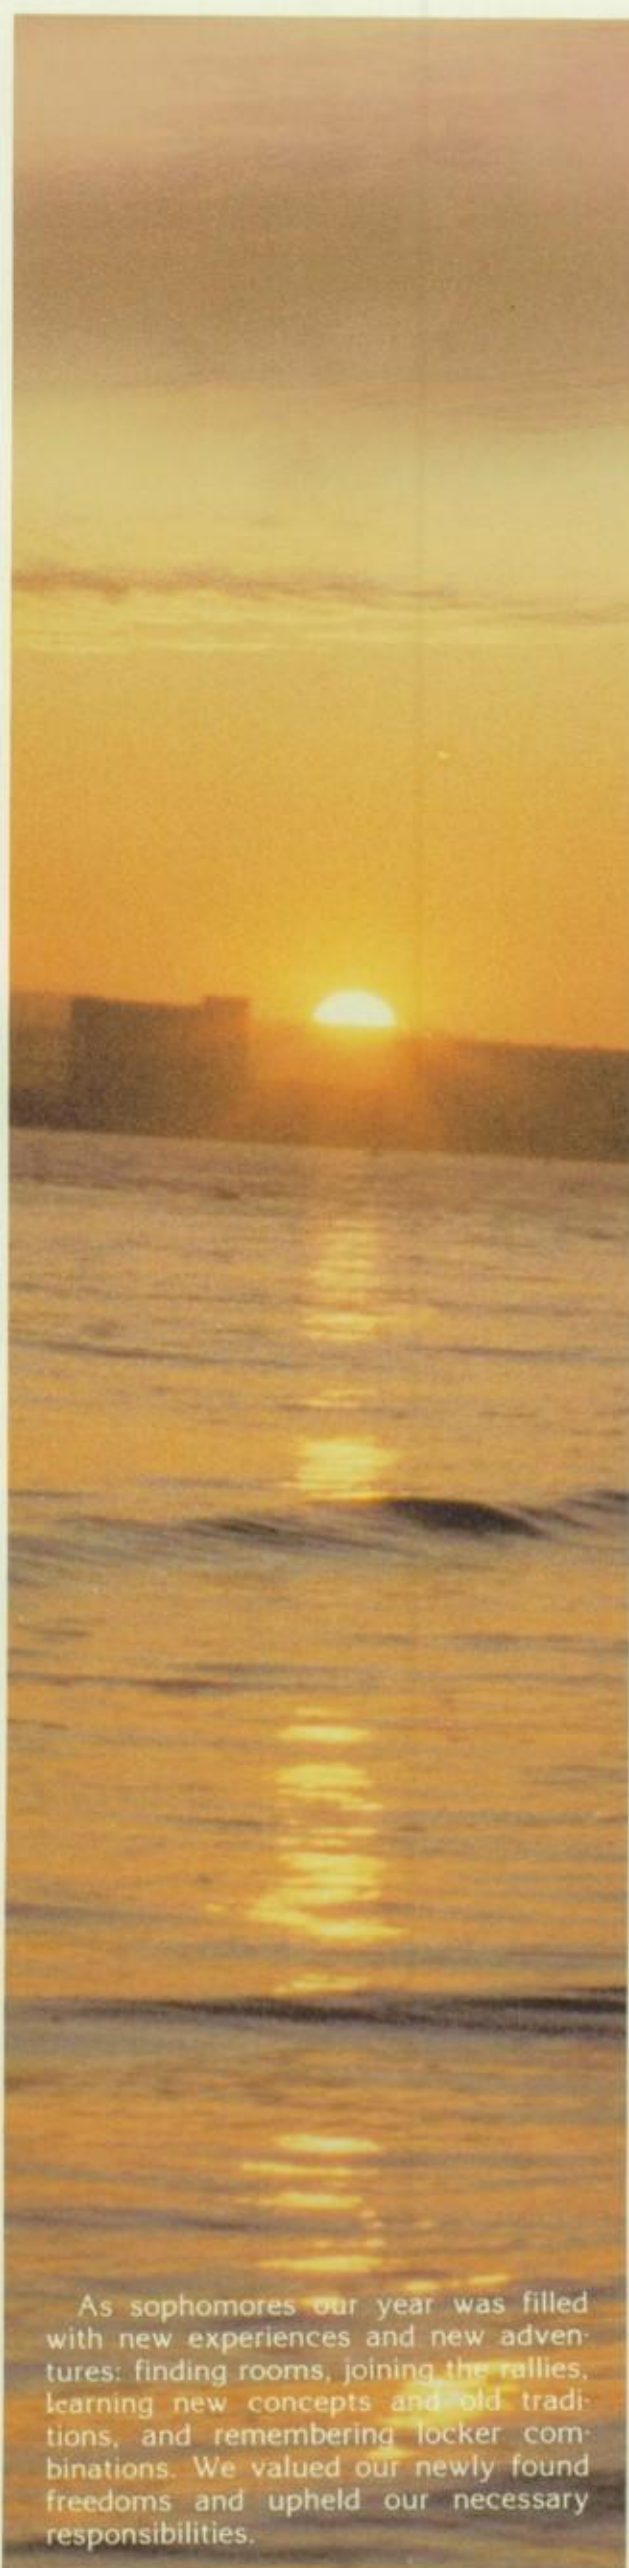

Our excursion through this institution of learning was more than just classes and tests, more than only acquiring necessary knowledge and skills, but included fellowship, spirit, and activity. We encouraged our teams, even when the odds were against us. We rallied forth, rain or shine, spreading cheer and hope and pride. We celebrated our heroes, our behind-the-scenes participants, and our loyal followers. We became involved in all aspects of our high school, including government and business.

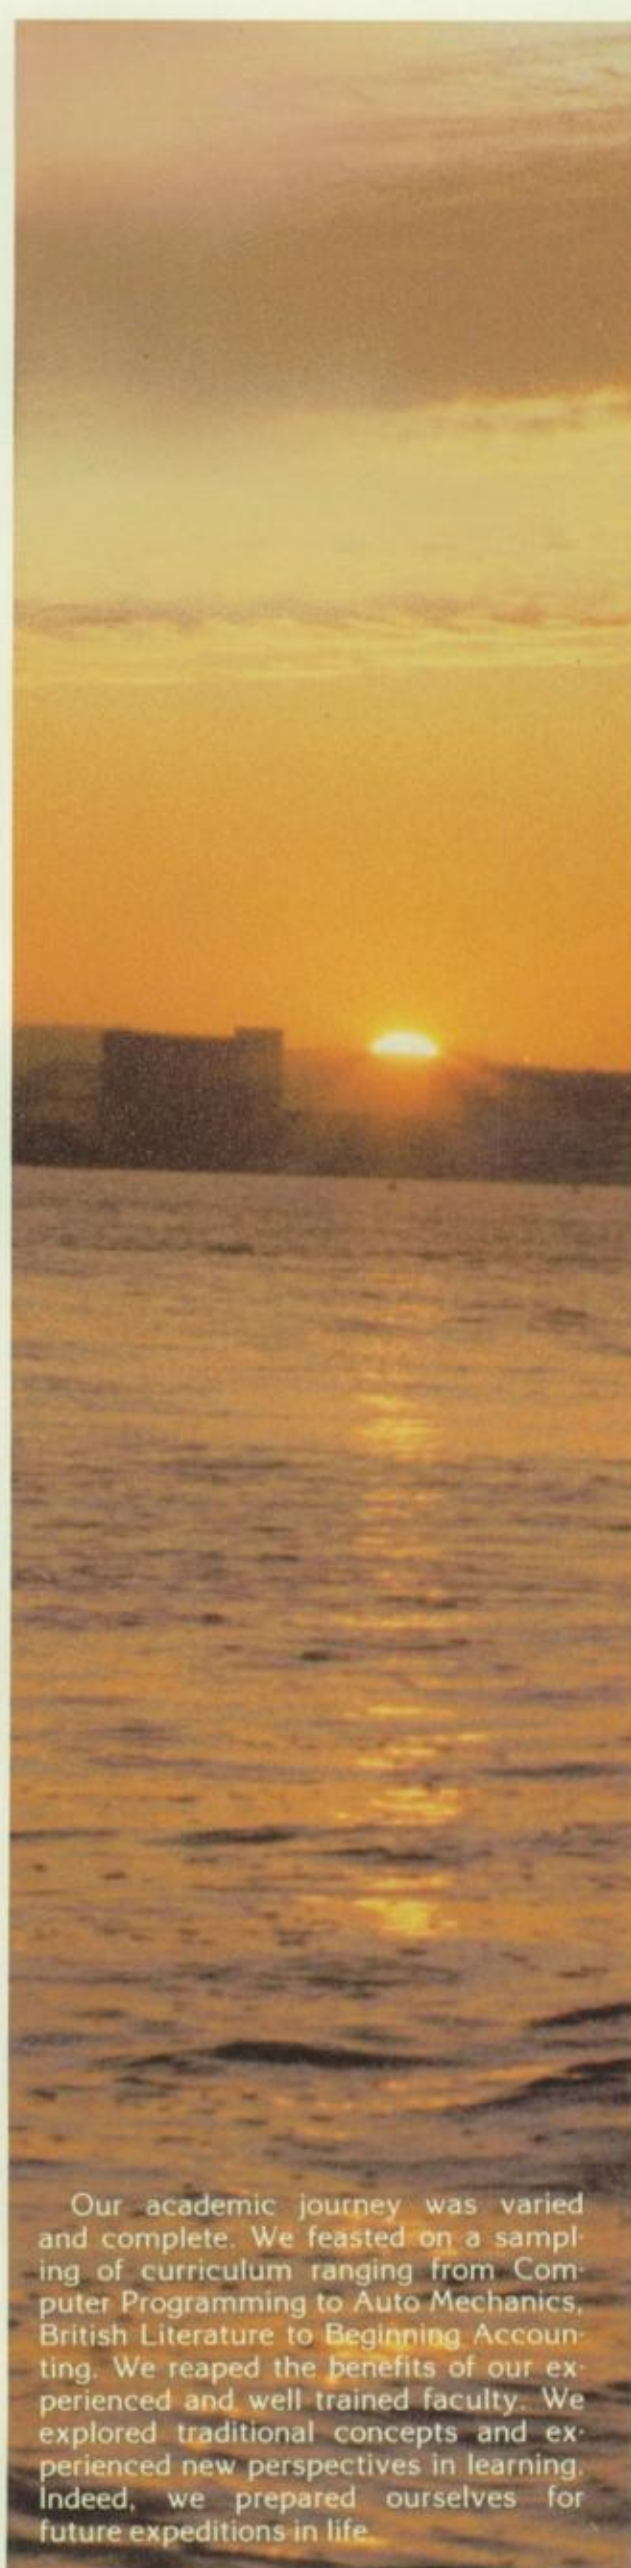

Our years at Wilson taught us respect for hard earned skills, teamwork, and sportsmanship. We fought gallantly on land and sea. We were honorable competitors, breaking records and setting marks of excellence for the next generations of Bruins to strive to surpass.

As juniors our lives were filled with the anticipation of returning to our campus familiar with the routine and anxious to become involved in the life at Wilson. We completed our sophomore year and moved one step closer to accomplishing our goals. We grew comfortable with the ease of knowing we were halfway through our voyage.

As sophomores our year was filled with new experiences and new adventures: finding rooms, joining the rallies, learning new concepts and old traditions, and remembering locker combinations. We valued our newly found freedoms and upheld our necessary responsibilities.

Our academic journey was varied and complete. We feasted on a sampling of curriculum ranging from Computer Programming to Auto Mechanics, British Literature to Beginning Accounting. We reaped the benefits of our experienced and well trained faculty. We explored traditional concepts and experienced new perspectives in learning. Indeed, we prepared ourselves for future expeditions in life.

Parent Teacher Association

Your Woodrow Wilson High School PTA spends countless volunteer hours sponsoring parent grade level meetings; providing college scholarships; giving financial assistance to needy Wilson students; publishing the Bear Tracks Newsletter and mailing out to all Wilson parents; planning and holding Parent Education meetings; providing adolescent development videos and arranging for speakers; publishing the Mini-Bear-Facts Directory and mailing out to all Wilson families; running the concession stands for football games as a service and fundraiser; providing volunteer adult help for school activities; staffing the College Information Center for students each day; providing support and assistance to faculty and staff. This year we have presented Scott Marshall, Program Director

of the Adolescent Chemical Dependency Unit Memorial Hospital on "Chemical Abuse, What's a Parent To Do?"; Marion Solovei, Clinical Director of Long Beach Family Services on "Teenage Discipline and Communication"; Peter Buntman, Adolescent Clinic Director on "How To Live With Your Teenager"; Art Kraft, LBUSD Senior Psychologist on "Parents, Teenagers,

Communication."

The **OBJECTIVES** of the PTA are: To **PROMOTE** the welfare of children and youth in home, school, community and place of worship. To **RAISE** the standards of home life. To **SECURE** adequate laws for the care and protection of children and youth. To **BRING** into closer relationship the home, and the school that teachers may cooperate intelligently in the education of children and youth. To **DEVELOP** between educators and the general public such united efforts as will secure for all children and youth, the highest advantages in physical, mental, social, and spiritual education.

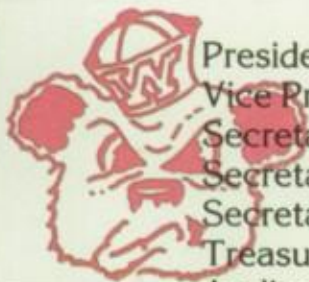

And this is what it's all about . . .

And the Band Marched On . . .

Under the direction of Mr. Rolland Sanberg, The Wilson Bruin marching band has been number one in Long Beach for the last twenty three years, ever since he took over as band director. This year the band was 185 people strong and played songs such as "Psychobable", "Fight", "Hats off", "Victory", "Rocky", "Bugler's Dream", "Coming Up Roses", "Coming On Strong", "Night Beat", "Rock Right On", "Va Va Voom", and of course "Wilsonia". Most of these songs were played while in intricate formations. The band was invited to have one half time show on cable TV which aired in December. The band also made it's annual visit to Disneyland.

Under the leadership of head tall flags Jenny Smith and Tammy Barksdale, the tall flag rank was the center of attention at most half time shows with their precision routines and their pin point timing. The tall flag rank performed to songs such as "Straight ahead", "Va Va Voom", "Fight", "Hats Off", and "Coming on Strong". This year's tall flag rank was truly super.

Head drummer Ron Bush and co-head drummers Sandy Allen and Kris Johnson kept the drummers in beat. This year there were nineteen drummers, all of which started practice at the beginning of the summer and worked very hard to perfect their Rock out theme. The drummers have played a big part in the band for some years and will continue to do in the years to come.

Homecoming

Homecoming 83

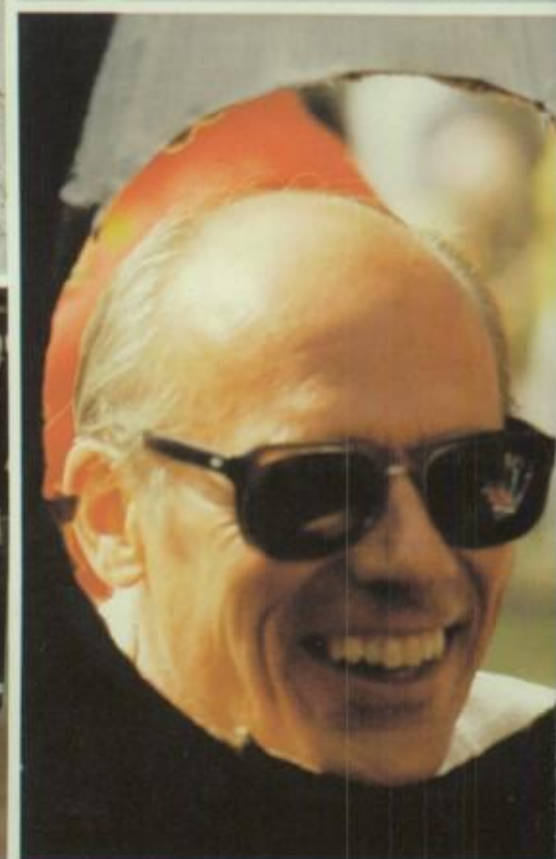

The morning of October 21, 1983 was a strange one to be sure. Who else but Wilson students expected the band members to serenade teachers and administrators during the wee hours of the night. By 6:00 a.m. our quad was crowded by students decorating booths and the school. Ah, preparations for the Homecoming Faire. Feelings of excitement and spirit could be felt in the cold morning air. It was odd: seemingly reserved, sensible students were suddenly transformed into frenzied Bee Boppers and wild greasers, as we prepared for our 50's rockin' rollin' Homecoming.

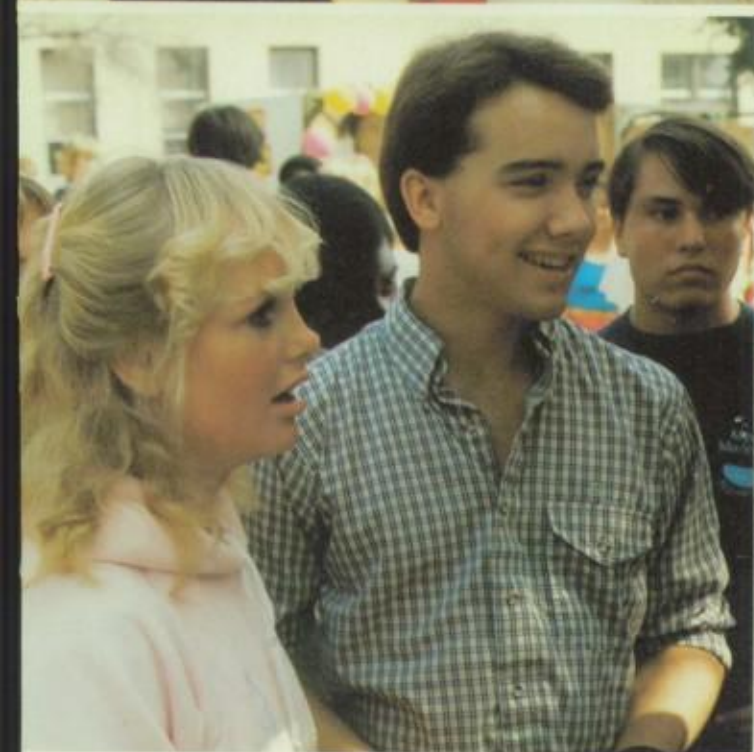

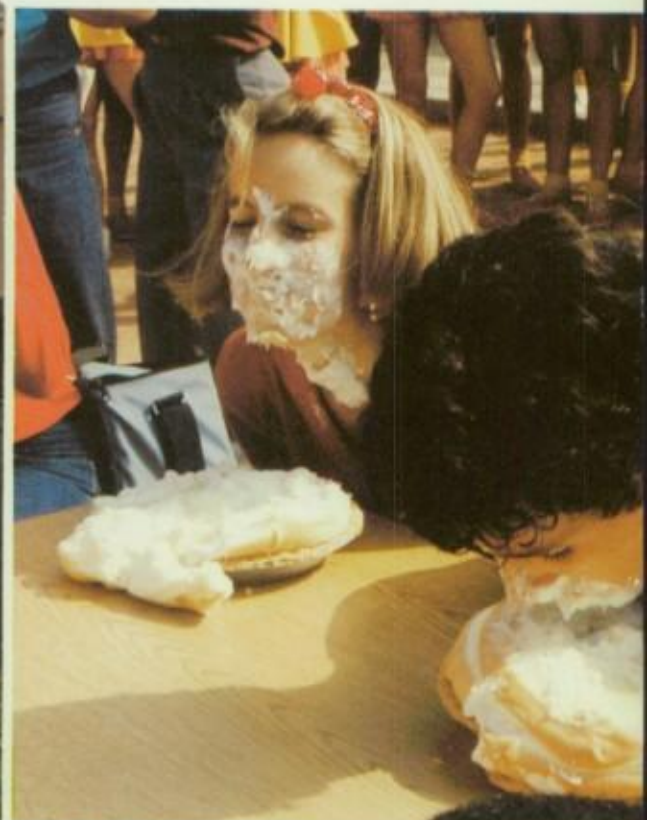

With the help of Mr. Hansen and the Student Council, everything ran smoothly and on schedule, except the Lynns Perrys Pizza truck. The Swim Club had quite a bumpy ride when they heard that all the pizza they ordered had slipped off the truck onto Appian Way.

Another upset: the current tradition of the Junior Optimist Club winning the "Best Decorated Booth Award" was abruptly halted when the Pepsters captured this coveted honor for inventing the first ever Cookie Muncher Booth, complete with teeth. Students and Alumni cheered for teams in the tug-of-wars. The Z Girls colored the campus with banners shouting luck and spirit for the football players, and everyone ate and ate and ate.

After the faire, the Rally on the football field was spectacular. Steve Lynn won his third pie eating title, while Julie Cabe became the first girl to enter this prestigious event. Past and present Pepsters reminded alumni of former Wilson years as the squads performed to "Fight" and "Victory". Finally as the tension mounted, the Homecoming Court was announced; Jenny Knowlton was crowned 1983 Homecoming Queen at the football game, Brooke Fraser, Senior Princess; Laura Wilson, Senior Princess; Lupe Ramiro, Junior Princess; Michelle Montierth, Sophomore Princess. Our Homecoming Celebration culminated at the game as the fans crowded the bleachers to standing-room only. Homecoming was a great experience, a time to work and a time to play, it was an event to save for the memory books.

Energetic Bruinettes Dazzle All

As the years go by, the Bruinettes keep up and enhance the Wilson tradition of energy filled performances. Even though hot days, sprained ankles, and dragging hours, the seventy four girls gave it their all to perfect their routines. Keeping the girls on their toes and in line was their sponsor Mrs. Janet Mason. She has dedicated the past eight years to supporting and keeping up the status of the Wilson Bruinette drill team. The girls rocked to the tunes of "Psychobabble", which was their awesome company front routine, "Rocky", and "Va va voom." Kristen Fox and Robin Meyer led the Bruinettes with a combination of organization and teamwork. Over all, the girls had an outstanding year, and deserve a *BIG CHEER!!*

We watched the last click of the clock before the rally began. The bell rang and the drums beat as the Pepsters opened the rally with the traditional "Rock-Out." Many students gazed in awe while the Pepsters dazzled the crowd with extraordinary song and flag routines.

Practices everyday throughout the summer and school year really paid off for the Pepsters. Their energy and enthusiasm glowed throughout picnics, track routines, rallies, parades, and half time shows at football and basketball games. The 1983-84 Pepsters brought smiles to the faces of all who watched.

Varsity Yell Was Second to None

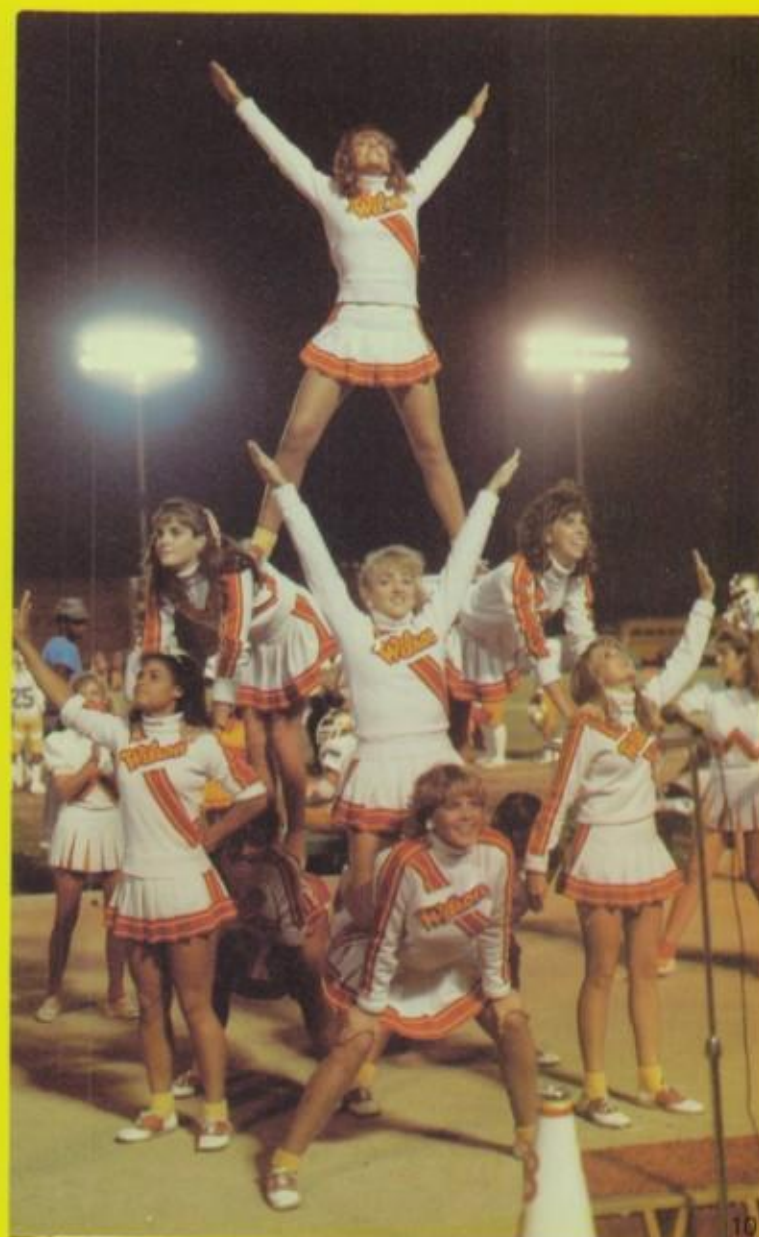

Uncovering buried enthusiasm and spirit was one of yell's goals. Through rain, heat, wind, and sun, the yell leaders work was never done. They cheered their teams to victory when the score was tight and no hope in sight. Games were won and games were lost, but Varsity Yell kept a cheerin' no matter what the cost. The girls practiced early hours all summer and attended a yell camp in San Diego, where they received numerous awards and brought back new mounts and routines. Making up the group for spirit leaders for 83-84 were returning Varsity Yell leaders Tula Trigonis (Head), Suzanne Graves, Melanie Wright, Past JV's Krystal Coop, Gayle Pillsbury, Laura Wilson, newcomers Melissa Stansbury, Pua Kapu, and two talented juniors Michelle Closson and Pam Jones. They were sponsored by Terry Oppelt.

Hey Let's Hear it, J.V. Yell Has Spirit

Hey let's hear it, Junior Varsity Yell has spirit. By performing in rallies, cheering at J.V. sporting events, and supporting Wilson J.V. Yell really proved they were second to none.

Kris Cahill, Cheryl Dumars (head), Angie Frost, Marnie Gaylord, Lisa Hill, and Lauri Lovren, the J.V. Yell squad, all agreed that the best thing about yell was the time they spent "having fun together." Last summer they attended camp in San Diego. While receiving a top ranking of superior plus, the girls also picked up important tips on performing. As their advisor Miss Oppelt commented, "Their hard work really shows." That hard work continued during the school year with daily practice to further perfect stunts and routines.

As for the future, the girls hope to make varsity yell and continue proving that Wilson spirit is number one.

Who are those girls that decorate the school with spirit signs and carry packages filled with cookies, cupcakes, or brownies? Who are those enthusiastic girls that provide service and spirit for our school? They call themselves the — Z — girls. No, — Z — does not stand for Zoro or Zipper. It stands for Zygomas.

Zygomas is made up of the 20 most active Sr. girls who donate their time and encouragement to Varsity players. They decorate lockers, make signs, and bake goodies each week for their — Z — boys. This tradition of supporting our school began in 1956 when four girls decorated the goal posts for a Wilson football game. Since then, Zygomas has grown into an outstanding club.

Along with supporting athletes, the — Z — girls helped the Booster Club, served at the traditional pancake breakfast, donated money to the clock chime tower, and provided entertainment at the Sophomore picnic.

Mrs. Holzman has been a most helpful sponsor for two years now. As one member said, "We're very lucky to have a sponsor as dedicated as Mrs. Holzman."

This page: 1. We made it, all 20! 2. — Z — girls jump for joy. 3. Look at those speedos!! 4. — Z — plays Polo. 5. That's togetherness. 6. Mrs. Janet Mason's 1983-84 dance class burst onto the Wilson campus scene this year with their usual flair. Classes were held first, second, third and sixth periods, where students learned various types of dance along with the fundamentals of choreography.

The fourth consecutive appearing dance concert was held April sixth and seventh. Included were spectacular numbers such as "Ease on Down the Road," "Boogie Woogie Bugle Boy" and "Maniac."

Day God Said: Be Dance

Many of these performances featured solos and leads by Susan Inge, Pua Kapu, Mary Snyder, Ron Wandix, Christian Aros, Charmane Bentley, and other talented dancers.

The past year was marked by a great deal of success and progression. All students improved greatly, the Dance concert received regional acclaim and an excellent source of entertainment was provided to the Wilson student body.

LOUDSPEAKER

This year's Loudspeaker staff was commended for their outstanding efforts in producing the newspaper. The staff consisting of 30 strong writers, worked on a ten day production schedule, creating 15 excellent newspapers.

The quality of each issue, larger number of publications and "trouble shooting" were effectively handled through the tireless efforts of our superb Editor-In-Chief, Candi Wright.

Doug Iverson was the advisor for his second consecutive year at Wilson and did an exceptional job supervising its production.

The following is a list of the editors: Editor-In-Chief — Candi Wright, News Page Editor — Shawnean MacFaden, Editorial Page Editor — Liz Pond, Feature Page Editor — Paula Coony, Sports Page Editor — Bryan Lane. Art Contributions — Mike Adams, Barbara James, Chris Lee and Paula Watson. Photographers — David Olsen and Cindy Winterrowd. Business Manager — Cheri Chandler.

Hundreds Cry for David and Lisa

The Dramatic Arts Department of Wilson High School proudly presented "David and Lisa". The show bursted on to the scene. The main characters were David Clemens, played by Scott Apel and G. C. Gibbs, and Nancy Kimber and Melanie Wright portrayed Lisa Brandt. Four other superb performances came from Tony Anderson and David Menter, who added that certain touch which made it such a great success, Karyn Eaton and Stephanie Barnett with their acting ability. Other outstanding support came from fellow actors and actresses, Denise Apel, Jenny Knowlton, Scott Gonzalez, and Jerry Stinson, from Cast B, and from Cast A there were Ron Wandix, Tommy Davey, Laura Wilson, and Linda Lakoff. The shows were complete sell outs with an enormously enthusiastic crowd. At the end of the show, one cast presented Mr. Bowden with a Drama/Tragedy award in appreciation of his valuable time and effort.

One of a Kind One Acts

The well-renowned Drama Department of Wilson High School showed their talent with the famous One Acts. The One Acts are put on by the second-year drama students and are directed by the third-year seminar directors. The One Acts consist of six One Acts, three each week. This year's One Acts were: the dramatic "Mr. Biggs" starring Hortencia Salomon, Stacy Hodges, Philip Constable, and was directed by Paula Sevren with asst. Laura Smith. The second week's drama was "The Image" starring Shelley Dill, Chris Toy, Sandy Allen, Jody Hall, Cornelius LeFlore, and directed by Laura Wilson with asst. Cathy Simpson. The first week's mystery was "Afterwards" starring Marla Steinberg, Christian Aros, Chad Franklin, Nathan Allen and directed by David Menter with asst. Guy Trimble. The second week's mystery was "The Mind of a Killer" starring Mike Adams, Deborah Rose, Kathy Newberg, Scott Gonzales, Eric Washington, and directed by Scott Apel with asst. Susan Ridgeway. The first week's comedy was "Dumping Grounds" starring Todd Wood, Lea Cordova and Tony Anderson. The second week's comedy was "My Cup Ranneth Over" starring Lisa Stuart, Monica Pearson, Emile Gerard, Jocelyn Hohri, and directed by Jennifer Courdy with asst. Casey Brace. Lighting and sound was done by Jocelyn Hohri and Nancy Presser. All of these students put in a lot of hard work and time and deserve a lot of credit for the great job.

"Feiffers People" Fulfilled All

The production of "Feiffer's People" was put on by Drama Club of Wilson High. "Feiffer's People" is taken from the comic strip by Jules Feiffer. The production of "Feiffers People" is different in the manner that it has so many different scenes. The play deals with the games that people play with each other, but is put into a humorous manner. "Feiffers People" is one of the most requested plays of all and this is the fourth time in twelve years that Director-Teacher Mr. Bowden has presented it at Wilson. "Feiffers People" is one of the funniest but the hardest plays I have ever done, but some thing I would not have passed up," quoted a cast member. Cast A was: Asst. Director Denise Apel, Dancer Jocelyn Hobri, Man 1 (Benard) Scott Apel, Woman 1 Mary Beth Cash, Man 2 G.C. Gibbs, Woman 2 Jenny Knowlton, Man 3 Jason Lorber, Woman 3 Nancy Kimber, Man 4 Mike Adams, Woman 4 Vicki Palarea, Man 5 Nathan Allen. Cast B was: Asst. Director Kris Chowen, Dancer Paula Sevreaan, Man 1 (Bernard) David Menter, Woman 1 Jennifer Courdy, Man 2 Tony Anderson, Woman 2 Laura Wilson, Man 3 Ron Wandix, Woman 3 Kristi Peterson, Man 4 Guy Trimble, Woman 4 Lisa Arnold, Man 5 John Hop-ton. All members of the cast and crew worked very hard and produced four very fine Productions.

"Let there be dance," whizzed through all our talented dancers minds as they practiced their way to perfection. Practices began as early as September and many hours of hard work were put in to the spectacular show.

The concert, entitled "Let There Be Dance," was held on April sixth and seventh. Under the direction of the dance advisor, Mrs. Mason, the co-directors, Rosemary McCullough and Susan Inge, proudly presented the concert.

The crowd was astonished at the high caliber of professionalism as dance displayed exciting entertainment. A spectator exclaimed, "It was the best show of the year!" All of the dancers involved agreed that even though there was a lot of hard work involved, it all paid off in the end.

1. Susan Inge shows her style. 2. The advanced dancers pose for the concert program. 3. Pua Kapu stretches with a smile. 4. Chris Aros and Ron Wandix leap into action. 5. Stretch bags came back with entertaining shapes and moves. 6. The Spanish ballet took our hearts away. 7. Co-Editors: Left: Susan Inge and Rosemary McCullough, proudly smile after the magnificent concert. 8. These skillful dancers provided us with the video moves to "Beat It" and "Thriller." 9. Practice, practice, and more practice! 10. Five, six, seven, eight, step, turn and kick! 11. They were "Maniacs." 12. They tapped their way to a "Roman Holiday."

Jazz Ensemble Keeps in Time

Tempo was the key for Jazz Ensemble this year. The outstanding Wilson Jazz Band has a history of excellence with the win of both the Cal Expo Jazz Title in 1979 and the San Bernardino Title in 82. In 1983 the ensemble won the Norwalk Festival. This year was no exception as they attended festivals in Fullerton, Norwalk, and San Bernardino, to name a few. They always received high ratings.

Rolland Sandburg, the director, predicted that "they would have a good year" and he was right. Mr. Sandburg has been the director for 23 years and has done an outstanding job.

Back on campus, the Jazz group was kept busy by playing at all the pep rallies and home basketball games. They were also featured at the Scholarship and Spring Concerts.

Symphony Orchestra Swings

The Wilson Symphony Orchestra is rated as one of the finest high school orchestras in the state. For the past twenty-three years, the groups have received superior ratings at all festivals, a record unequalled by any high school orchestra.

The Orchestra presents four concerts a year in the Wilson auditorium: the Fall Concert, the Holiday Concert, the Scholarship Concert, and the Spring Concert.

This year the Orchestra played in the Valencia High School Festival which was held in Placentia.

Soloists with the Orchestra this year were Felix Hack, clarinetist; and Molly Quest, pianist. Martine Korach, cellist, was soloist with the All District Orchestra.

Christine Radford, Molly Quest, Jennifer Courdy, Teresa Robinson, and Felix Hack were members of the All Southern California Orchestra.

Rave Reviews for West Side Story

As the curtain goes up the first thing you hear is a finger — snapping pulse of life on the west side of New York City, where a life-time can be only 48 hours long.

Riff (Steve Shuttleworth) is the leader of the Jets; this is one of the best portraits of this character that has come our way. The opposition, a Puerto Rican gang called the Sharks, led by Bernardo (William Mills), who adds a touch of the higher class of life with his presence on stage as Bernardo. Inevitably it adds up to a rumble — they'll set the date at the dance. The dance at the gym is the biggest and the best dance number of the entire show.

Then it happens, Tony (Chris Clayton); one of the founders of the Jets who lately is drifting away from the Jets meets that special person Maria (Yvette Saferstein) who is Bernardo's little sister, (who has just moved to the U.S. from Puerto Rico.)

The next scene is in the bridal shop with Anita (Lea Cordova) who is madly in love with Bernardo, with Maria (as they remake what was a white communion dress into a party dress for the dance.)

This musical has taken a lot of time and hard work for the director Mrs. Carla Strandberg. Her co-workers included Ron Mahman, the stage advisor; Mrs. Wright, the drama coach; and Billy Hess, the choreographer. The Student director was Rob Natter, Director's assistant, Donald Moss; Prop manager, Amanda Peterson; Human resource; Jennifer Drew; and Dance captain Julie Richter.

A traditional honor that took place in each rally was the crowning of the -Z- Creeps. Each one of these talented individuals was crowned and kissed by Zygomis (the -Z- girls) in recognition for their outstanding accomplishments first semester. These -Z- creeps have not only shown personal excellence, but have displayed the Wilson spirit which transcends all bounds.

NJROTC:

A Tradition of Excellence

N.J.R.O.T.C. stands for Naval Junior Reserve Officers Training Corps. This is a daily class for which anyone is eligible. Classroom ROTC covers a large field of topics. Astronomy, Navigation, World History and Naval procedures are all discussed as part of the class. ROTC is an accepted substitute for P.E. in high school and if three years of ROTC are taken, a science class is not required. ROTC members are required to wear uniforms once a week on Thursdays and Drill team practice is held every morning at 6:55 on the girls athletic field. The drill team competes with other schools and often performs in parades. ROTC is a very valuable class to many because above all it teaches discipline and respect. ROTC is supervised and taught by Captain Montz, Chief Burke and Captain Green.

Student trials begin Barth places 15th in race

By Cheri Chandler

Defense and prosecution teams will present their cases on Illegal Search and Seizure of Drugs on High School Campuses on November 15th and 22nd, from 5:00-7:00 p.m., at the Los Angeles Criminal Court Building, according to Mrs. Taylor.

The mock trial is supported by the Constitutional Rights Foundation. The entire state of California participates with Wilson being one of the 55 high schools from Los Angeles County and the only one from Long Beach.

In a mock trial students present their cases in front of judges and attorneys who grade their arguments.

The defense team consists of Madaline Battles, Vicky Bevins, Dwyane Gergens, Celeste McCafferty, Buddy Perez, Kim Redman, with Lance Ringheim as the defendant.

The prosecution team consists of Julie Burton, Chris Cragg, Shelly Crowe, Jeff Fikes, Tracy Laughren, Michelle Mope, and Henry Voros.

"The mock trial is a fantastic experience for students to find out how the criminal justice system works," says Mrs. Taylor.

On Thursday, November 10, 1983, Judge Pokras agreed to a "run-through" of the trial on videotape with a member of the district attorneys staff present with attorney, Mark Rothenburg, as defense aid. This "run-through" practice proved to be very helpful in getting our teams ready for competition.

Mrs. Taylor has been doing mock trials for

over 10 years and videotapes all of them.

She states, "They follow all the correct courtroom procedures to make it as real as possible.

Last year at the Mock Court trial Wilson won first place. This is the first year the mock trial was introduced to Wilson students.

The difference between the two is that the mock trial is the lowest level trial, more of an everyday trial you would see in a courtroom. Mock court appeals the case and is on a much more advanced level.

Dwayne Gergens says, "It's exciting. It gives me a chance to see how a courtroom works. I've met a lot of people this year and I've learned how to predict upcoming statements and how to keep my facts straight."

Celeste McCafferty was very enthusiastic in saying, "I love it! But, it's a lot of work."

There are two rounds in the trial, then it goes on to elimination with the final competition ending in March in Sacramento.

for a half week of spirit-raising activities. There were two theme days prior to the Spring Fair, they were Wednesday, April 25th, Athletic Day and Thursday the 26th was Tourist Day.

The, "Olympic Day," activities began Friday, April 27th, at 6:00 am when many club sponsors, presidents and members showed up at school to prepare their booths for the big day.

At the fair there were 31 booths, 16 with delectable edibles, 4 with refreshing beverages and 11 with miscellaneous activities and merchandise. "All of the booths seem to have done very well," said one student as the fair began to come to an early end.

The two Masters of Ceremonies (Tony Anderson and G.C. Gibbs) with their crazy antics, announced the traditional tennis ball relay, tug-o-wars and three-legged race, however, later began to lose their audience to another attraction. Almost everyone went from the quad to the girl's gym to get a look at breakdancing.

This year the largest crowd was watching the near professional break-dancers who had the whole crowd in awe for approximately 2 hours.

The main goal of the Spring Fair is for people to have fun. Rick Jensen, a Wilson senior, said, "Half the fun of the Spring Fair is seeing the faculty having more fun than the students.

Since the fair was a success, we can probably call Wilson, "The Official High School of the 1984 Olympics."

Barth places 15th in race

By Cathy Simpson

The Iron man Triathlon held in Hawaii every year has long been one of the most prestigious events in the running sports world. On October 22 Klaus Barth, a coach and math teacher at Wilson competed in this fabulous race. Barth came in 15th out of about 1000 other athletes with an official time of 10 hours, 13 min. and 56 sec.

For anyone to take part in an event such as this, they must be in top physical condition, as well as mentally tough Barth, who was in good shape before he started training for the iron-man, trained all summer, six days a week.

Everyday he swam 4000 yards, then biked about 70 miles, and finally ran 13 miles. He figured it took him at least six to eight hours everyday.

Although physical condition is extremely important it is also important to remember that the mental condition of an athlete is a major part of competing. In fact, especially for the triathlon, mental training is perhaps more vital. If an athlete isn't psyched and he doesn't think he has what it takes to make it, he won't. The triathlon is a solitary sport. Everything the athlete does during and before the race from bike repairs to bandaging a cut is done alone. Said Barth, "I had to get used to being alone and exhausted all the time."

When asked how everything went, Barth commented that it had been extremely hot and humid with temperatures above 100 degrees in the lava fields where the bicycling and running legs took place.

Barth came to the U.S. from Germany in 1969 on a swimming scholarship from Cal State Long Beach. There he received a masters degree in education. He's new at Wilson this year. For the past eight years he has been teaching at Lakewood.

One reason Barth wanted to do the triathlon was because he loves cycling and has a background in swimming. He encourages anyone to participate in triathlons saying that since he decided to train for this event he has felt like a better teacher and much more energetic. He went on to say there are no special physical abilities one needs to have in order to partake in a triathlon, just hard work and determination. He elaborated saying "The triathlon is a personal challenge. It's not really important to come in first, but to do the best you can and feel satisfied."

Wilson Traditional Spring Fair: Olympics 84

Wilson celebrated its annual Spring Fair April 27th. This year the booths, along with enthusiastic people colored the quad red, white and blue to support this year's theme, "Olympic Day." The Spring Fair always gives students something at school you look forward to. Kelly Gardner, a Wilson student, says, "The Spring Fair always comes at the right time, just when you're recuperating from Spring Break."

The Spring Fair is a Student Council project that boosts everyone's spirit and carries it out until the year's end. It's months of planning for a half week of spirit-raising activities. There were two theme days prior to the Spring Fair, they were Wednesday, April 25th, Athletic Day and Thursday the 26th was Tourist Day.

The "Olympic Day," activities began Friday, April 27th, at 6:00 am when many club sponsors, presidents and members showed up at school to prepare their booths for the big day.

At the fair there were 31 booths, 16 with delectable edibles, 4 with refreshing beverages and 11 with miscellaneous activities and merchandise. "All of the booths seem to have done very well," said one student as the fair began to come to an early end.

The two Masters of Ceremonies (Tony Anderson and G. C. Gibbs) with their crazy antics, announced the traditional tennis ball relay, tug-of-wars and three-legged race, however, later began to lose their audience to another attraction. Almost everyone went from the quad to the girls' gym to get a look at breakdancing.

This year the largest crowd was watching the near professional breakdancers who had the whole crowd in awe for approximately 2 hours.

The main goal of the Spring Fair is for people to have fun. Rick Jensen, a Wilson senior, said, "Half the fun of the Spring Fair is seeing the faculty having more fun than the students."

Since the fair was a success, we can probably call Wilson, "The Official High School of the 1984 Olympics."

As promised, Astronaut Bruce McCandless came back home. A 1954 Wilson graduate, the Navy Captain was the first to walk free in space.

Friday, April 27, was a day to remember for many students, teachers and former teachers as they got to talk to a man who has made history.

After a press conference at 9:00 in the Media Center, and after answering questions from members of student council, Astronaut McCandless moved out to the quad. At a rally held in his honor, he presented a plaque containing the "I Love Wilson" bumper sticker he had carried into space to the Wilson student body. Jenny Knowlton, Student Body President and Laura Wison, Senior Class President, accepted the plaque.

When asked if eating was any different in space, he replied, "You just be more careful. Everything must be done in slow motion so the food doesn't float off your spoon. The hardest thing to eat is M&M's, because they go all over the place."

From the Folks Who Brought You the Yearbook

The combination of creativity, raw talent and sincere dedication is the only way to describe the 83-84 Campanile staff. This Campanile is by far the most extensible book made in recent years. Special effects were used throughout the book to bring out its quality above the staff's highest expectations.

A tip of the Bruin paw goes to the Campanile adviser, June Garner. June put in many 12 hour days pulling bits and pieces together before each deadline. Tracy Langston and Tricia Krause, this year's co-editors, should be noted for their strong efforts toward the Campanile. Bill Mills handled the business aspects of the yearbook construction, and Kin Cusack helped tremendously by selling the most yearbook ads. The senior class section editors were: Bill Mills, Dave Frenzel and Chris Lee. The Junior Section was handled by Heidi Crodeck, Linda Silva and Patti Garrigues. Tim Kealy and Randy Taylor organized the Sophomore class section. Terry Brill should be recognized for his fine artwork, along with the excellent contributions from the rest of the staff that helped make the 83-84 Campanile what it is.

1-5. When asked how the deadline is coming some staffers' replies weren't so nice. 6. Taylor representative Steve Eddy helps take the wrinkles out of the yearbook.

Student Council Strives for Spirit

The Highlight of the fall semester was the installation and dedication of the Clock Chime Tower. This was the culmination of several years of hard work by the supportive Wilson students and alumni. As the sounds of "Wilsonian" echoed through the Wilson quad, a new era of spirit was initiated into Bruin history. Many thanks go to all those who participated in the re-established of this Wilson landmark.

In addition to the dances, fundraisers, rallies, P.T.A. membership drive, and canned food drive, the biggest event, as in years past, was the highly successful spirit week topped off by the 24-hour Rock n' Roll Homecoming. What a success!

Student Council had the opportunity of attending leadership conferences as a group to learn new methods of fundraising, promoting school spirit, solution to problems on campus, and other activities, which helped us plan a well-rounded program for the fall semester. The Student Body gave us their full support with these activities as they carried them out with an outstanding spirit of enthusiasm.

Break dancers hit the streets

By Cindy Winterrowd

It's street dancing from New York, with acrobatic and gymnastic moves mixed in. Called break dancing, it started about six years ago when the gangs of the South Bronx got tired of fighting and started a new dance where they could challenge each other. Two years ago break dancing came to California.

Most break dancers favorite songs include Freakazoid and Maniac. Some of their favorite moves are moon walking, crab and spider, back spins, 3-d popping, and kick worm. It can always be found at local malls in Long Beach and Lakewood. Odyssey, Infinity, and the 321 Club are among the most popular under age clubs.

Break dancing has been erroneously stereotyped as a black dance. An excellent break dancer at Wilson is Christian Aros. He has been break dancing for about four or five months. Christian loves to dance, and he's in Advanced Dance and in the dance club. He also has black friends whose popping he used to try to imitate. All of them had a head start. They had been popping for years. When break dancing came out, Christian had an even start with everyone else. He practices and practices and is just as good or even better than any other breaker. Christian has a great relationship with his black friends. They love to joke about, "the white boy that breaks". He feels they accept him more because he breaks.

Christian doesn't see any future for himself in dancing. He just loves to do it. He has done some amateur shows and has gone against many challengers. No one taught Christian how to break. He just watches people. And, no he never saw "Flashdance."

Christian may not be the all-time breaker, but watch out because he is getting there.

For the first time ever, the Campanile included a "Hall of Fame" for Loudspeaker articles. There are several pages throughout the book. Happy reading.

Christian Aros displays his outstanding capability to break dance.

Media Center helps students

By Mike Michaelian

Wilson High School built the Media Center in 1975 for the sole reason of helping students become more educated in the world. Since then students have taken advantage of the many books, magazines, typewriters, T.V. production equipment, slide equipment, and other reading materials to do many school projects and to get caught up on the current events of the world around us.

We have had some great librarians since the Media Center opened, and we have an excellent one now in Mrs. Mattson. She is very helpful to students in many different ways and she encourages them to read and study more. Mrs. Mattson is backed up by Mrs. Good and Ms. Kerman who also seem very nice. The Media

Center also has five library aids who help to shelve books and run the front desk.

At the moment, Mrs. Mattson feels Wilson students aren't using the Media Center enough for independent reading, but mostly just for school projects. "A library has something on every subject, so don't limit yourself to just one, but expand your knowledge and understanding of the world", said Mrs. Mattson.

The Media Center is not just used by students for studying, but is also used for public speakers and authors of books. Health classes have Alcoholics Anonymous employees talk to the students and the District of Long Beach sponsors an author who comes to talk to our school.

Another asset of the Media Center is the great T.V. production station. Mrs. Mattson commented on it by saying, "We have one of the best T.V. production stations in the District of Long Beach." All the librarians also acknowledge that they are lucky to have such a new building to work in.

Even though our Media Center seems to have a lot to offer, the librarians admit it's hard to get exactly what they want since Proposition 13 passed. Therefore, they ask Wilson students to bring in any arts, crafts, or books that would help our library be a better place.

The Media Center will always be a great place to go for many different reasons, so feel free to use it at any time. Librarians welcome you and want to help with any problems you have.

Wilson's math team 4th in state

By Susie Pitts

A big "Congratulations" is sent to Jeff Merrick and Felix Hack for winning in two out of five events at the Mathematics Field Day, held at Occidental College.

There were more than 400 students from all over California, who participated in events which tested in speed and accuracy in problem solving.

Wilson is tied for fourth in the state. Wilson's leading scorers are: Felix Hack, Eric Aldrich, Jason Lorber, Jeff Merrick, John Lane, and Robert Park. Good-luck to all in the math competitions for the following year.

PTA takes on drug problem

By Mike Lindley

As most of you know, the use of chemical substances now dominates social activities at Wilson High even to the detriment of those students who do not or would prefer not to use alcohol or other drugs. Well, the P.T.A. at Wilson realizes that fact, and has formed a Chemical Substance Task Force. The objective of this task force is to eliminate drug abuse by Wilson students.

Felix Hack at it again

By Laurie Tatreau

Would you think you were dreaming if you were suddenly tied for first place in the whole NATION for an American Computer Science League competition? For most of us, we would be dreaming. For Felix Hack, a 12th grader here at Wilson, it is reality.

At the time, Felix is tied with more than 70 others in the American League competition. They have taken two tests and on the first all were perfect scorers. When the second test results are evaluated the number of people will decrease. The over-all winner will be the highest scorer through five tests.

One competition isn't enough for Felix. He is also tied with roughly 16 others for first place in the state, in the California Math League competition. This competition is really a team event. The highest scoring team in the state will win.

Felix was born in Hamburg, Germany where he lived for 10 years before coming to California. When asked if it took him very long to learn English he replied, "No, it took me a year of television and simply talking to people to pick up the language." Definitely a fast learner, Felix has a 4.0 G.P.A. His favorite subjects include chemistry, music, and even calculus! He's been playing the clarinet for

Felix Hack ties for first in nationwide computer science league competition.

eight years and is a member of three orchestras including Wilson's.

Among awards Felix has received in the past are: first place in the District Math Field Day Speed competition (for the last two years), the Rensselaer Math and Science Award, the American Chemical Society Award, first place in the state in the American Computer Science League competition, and a winner in the speed division of the Occidental Math Field Day.

Good luck Felix and keep up the good work!

Candi's Corner

Bruin honors sky high

By Candi Wright
Editor-in-Chief

History was made in the world and on Wilson's campus less than a month ago when alumnus Bruce McCandless became the first man to set foot unrestrained in space by using a special jet-powered backpack.

As you read in the last Loudspeaker issue, the 1954 graduate carried an "I love Wilson" bumper sticker and button with him on his space adventure. I feel there is a unique message underlying the opportunity Wilson most graciously received recently.

Nearly 30 years ago, McCandless boasted the fellow students that he would be one of the first men to walk on the moon. Most people agreed then he was a bit crazy, but it never stopped him from striving for his goal. Although McCandless, has never been on the moon, he did achieve a remarkable feat.

A lesson we can learn from McCandless experience is he had a dream, he went after it and grasped it. He is an excellent example of what can be produced at Wilson High if enough effort is put forth. Dreams or goals can be short or long term, but the important part is making and having them.

You may have a goal right now you won't share with anyone, which is alright as long as

you work hard to achieve it. You may want to make a pep squad, join a club, get an "A" in a particular class or get accepted to the ultimate college of your choice. The sooner you start and the more effort you put into it, the better you'll feel about the results, and the more rewarding they will be.

I think we should be thankful to McCandless for thinking of Wilson and letting us be a part of his achievement. He didn't have to call his alma mater and ask for something to symbolize his old stomping grounds-but he did.

I feel this is what our teachers and administrators mean when they talk about prestige and tradition. Right now you may wish it was graduation day, but sometime in the future Wilson is going to "click" in your heart, if it hasn't already. You're going to feel a sense of pride come over you, and will return to Wilson and say, "I remember when...."

Alumni like Bruce McCandless keep Wilson at the top. You and I will be responsible for preserving its prestige in the future. Hopefully we too will remember to share our achievements.

The German Club

The 83-84 German Club led by sponsor Harriet Clement and presidents Summer Johnston and Dave Frenzel had another successful year this year with the successful sales of the Gummy Bears. The German Club was able to donate money to the Campanille and along with the Octagon Club they purchased some medical equipment for Mrs. Sowa, the school nurse. Thanks to this equipment Mrs. Sowa found a student who was almost deaf, and was able to get him medical attention. With the support of Mrs. Clement and the dedication of the club members, the German Club will carry on its tradition for years to come.

What happens when a group of enthusiastic students get together with an energetic advisor, such as Mrs. Polkosnik, and try to keep a ten-year Wilson tradition alive? A new Symposium Club is born! Wilson wouldn't let this unique learning and growing opportunity go to the wayside. Membership in the club is based on high academic standards and a commitment to improving yourself.

Highlights of the past Symposium year have included a weekend at Hi-Hill for a human relations seminar, a trip to the Renaissance Faire, booths at Homecoming, and the Spring fair, and a day of picnicking and fun in Irvine.

Symposium Club is off to a strong start, and with continued effort on behalf of the students and faculty will remain a strong tradition here at Wilson.

Mock Trial

On Tuesday, November 29, presiding Judge Joseph Adler ended Wilson's dreams of reaching the state finals of mock trial competition. Although the round was close, taking Judge Adler 45 minutes to reach a verdict, the team was visibly disappointed by his decision.

However, considering that being in the L.A. County Courthouse would be enough to paralyze anyone, these students presented their cases with great accuracy in reaching the quarter-final round.

Earlier in the competition, defense and prosecution teams defeated Manual Arts and Roosevelt High School by close margins.

The team's success was due, in part, to the excellent guidance they received. They were backed by their enthusiastic teacher, Mrs. Taylor, and received crucial advice from more experienced individuals in the field, Defense Attorney Marc Rothenburg and D.A. Assistant Pam Ferraro.

Students not only sacrificed their free-time in preparation, but also put a piece of themselves into their roles and performed as if they themselves were on trial. Late meetings and long telephone calls became common during the weeks of preparation, many of those meetings being held at Mrs. Taylor's House.

Although students were divided into two groups, attorneys and witnesses, the competition did not rest solely upon the attorney's shoulders. The witnesses presented such convincing testimony, that they became equally important in presenting the facts.

Perhaps, the greatest learning will come after the competition when the team will review their past matches on videotape. All the matches were recorded by Head Football Coach Al Taylor.

Wilson's final round came against a private school, St. Genevieve. Despite being slightly intimidated by the opposing side, the prosecution team presented a strong case. Unfortunately when either the defense or prosecution team loses, both teams are out of the competition.

Even though this year's team fell short of the state finals, they set a standard for team's to come and can walk with their heads held high.

Meeting Tuesdays in room 356 under the watchful eye of sponsor Mr. Gene Allen, The Game Enthusiastic League (G.E.L.) has existed for two years now. Its primary function is to play games and lots of them. Games like "Dungeons & Dragons", "Nuclear War," and "Risk", are favorites of the club. Certain members of G.E.L. have helped design and playtest a few games currently sold throughout the nation. Also several members have run demonstrations at game and toy expositions plus help run local and national game conventions.

G.E.L. is open to anyone interested. "We have tried to play almost everything once" an anonymous member stated. This member also said "Although the novelty of the name has diminished, the people are still enthusiastic as ever."

Approximatly half of the clubs members are seniors (out of about 30 members). The club will continue to achieve it's goals. Even though existence of the club is questionable unless we get enthusiastic students to join. Many thanks go to Mr. Gene Allen for all his help in keeping the club going agreed all members.

Varsity H₂O Polo Zimbo Zimbo Go, Fight, Win

VARSITY WATER POLO ZIMBO, ZIMBO, GO, FIGHT, WIN!

For this year's varsity water polo team, the season really began shortly after the 1983 graduation. Playing under the name BEACH WATER POLO CLUB, the team competed in better than 30 matches during the vacation period. The highlight of the summer pre-season was a trip to the Midwest, where the poloists first won the GREATER CHICAGOLAND TOURNAMENT by winning three straight games in the Windy City. From Chicago, the team traveled to the University of Notre Dame in South Bend, Indiana, where they went 4-0-1 against the best in the nation to win the NATIONAL JUNIOR AAU-USA OLYMPIC CHAMPIONSHIP. The national title was perhaps the most prestigious championship ever won by a group of Wilson athletes. A proud coach Jones pointed out that BEACH was the only team in either tournament which was comprised of players from one high school. All other teams were allstar groups which represented large areas, clearly demonstrating that Southern California is the high school water polo capital of the nation.

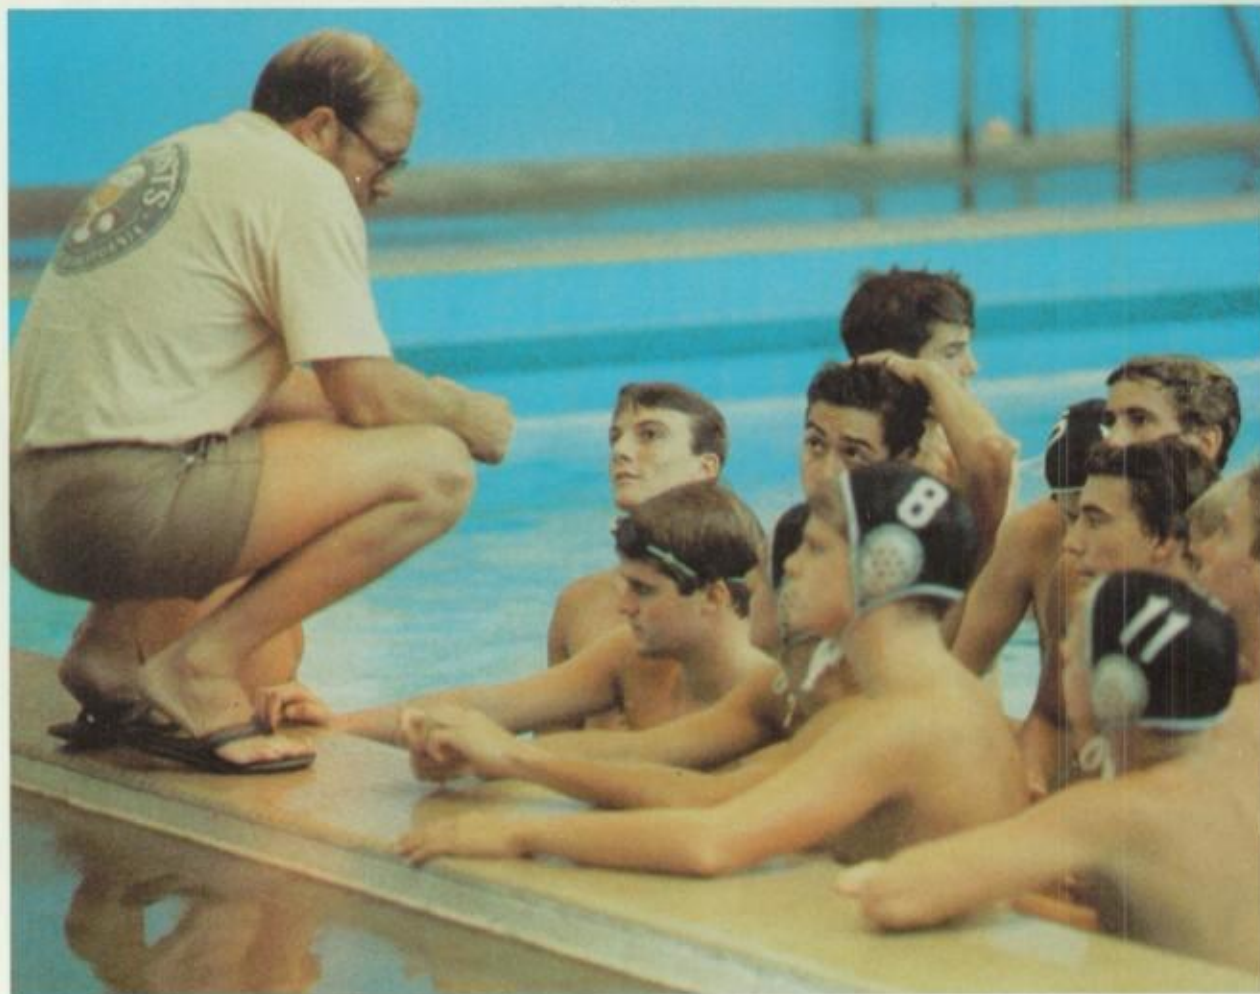

With the start of the regular school year, the Bruin varsity continued the tradition of winning Wilson water polo by first taking the championship of the 32 team MILLIKAN INVITATIONAL TOURNAMENT and then presenting coach Rick Jones with his sixth consecutive MOORE LEAGUE TITLE. In league play, arch-rival Millikan was defeated 11 to 3 and Lakewood was beaten 21 to 8. As always, the non-league games included the best of the Southland, which resulted in a few close, hard fought losses to schools such as Newport Harbor and Corona del Mar.

The large 19 man varsity squad was led by captain Mark Griffith, along with key players Amos Merkle, John Lane, Michael Riggs, Robert Lynn, Dale Inskeep, Mark Bixby and Goalie Jay Cahan.

The season ended, with a heartbreaking lose to Newport Harbor in the second round of C.I.F. playoffs, which put an end to Wilson's dream of the title. But lets not forget — there's always next year.

Red Hot Together

Taking over the volleyball team this season, Miss Aracely Mora proved to be an outstanding asset to the Varsity squad. Under her guidance, the volleyball team put much time and effort into becoming one of the best teams to win the Moore League Title and participate up through CIF semifinals.

With their 16-3 record, the team finished first in the Moore League. Leading the team with great transition flow from offense to defense were the key senior players: Marci Whistler, dominate in all positions; Teri McGrath, great as a position setter and right side hitter; Heidi Drace, front row blocking and spiking specialist; Peri Hansen, great front and back position specialist; and Jamie Huffman, passer and super spiker. Working together with exceptional players, the Bruin Volleyball continues to pursue the quest for CIF championship.

Cross Country Team Upholds Winning Tradition

Wilson Girls' Cross Country fully dominated Moore League, running undefeated in the season. The team was lead by returning seniors Doris Painter, June Kansopon, and Barbara James. Juniors Megan Crawford and Michelle Jacobsen, and sophomore Paulette Painter added needed depth to clinch the title. Other hard fought races were run by Lisa Peasley, Michelle Welton, and Anna Ferrera.

Doris Painter proved to be a major force on the team with first place races against Millikan, Jordan, Poly, and Lakewood. She ran a time of 17:46, her season's best over a 3 mile course. If Paulette Painter follows in her sister's footsteps, Wilson could very well be forming a dynasty in the world of cross country.

The girls' cross and team finished: Wilson 26 — Millikan 29, Wilson 20 — Jordan 41, Wilson 15 — Poly 50, Wilson 20 — Compton 37, and Wilson 18 — Lakewood 41.

CROSS COUNTRY

Boys' cross country, lead by Wilson's #1 Varsity runner Carlos Lopez, tied for third place in Moore League with Compton behind strong Millikan and Lakewood squads. The sweep of Poly highlighted the season with Wilson runners taking the first six places. This year's team featured a full squad of sophomore runners. Behind Carlos Lopez and Mike Moore, seniors and Aaron Dement, (junior) sophomore runners filled most of the team spots.

Coach Lineberger is looking forward to a strong team next year led by Dement and sophomore superstars David Greenberg, Jose Ortiz and Lucky Silva.

Girls' Varsity Tennis

Our Girls' Varsity Tennis team opened their Moore League season by crushing Millikan 18-0. It was an outstanding performance. They continued on their winning streak breezing by Jordan 18-0. When Ms. Betz, the tennis coach, was asked what the odds of winning Moore League were for this year she replied, "One hundred percent win." To win is the team's motto.

Ms. Betz has been coaching the Girls' Wilson Tennis Team for 17 years. Out of those years, Wilson has won four out of seven Moore League titles. Ms. Betz said that her girls take tennis very seriously.

One of this year's most outstanding players was, sophomore Janell Wilkins. The girls varsity tennis won the Moore League title by defeating Lakewood 18-0. They had an excellent year and went on to represent the Moore League in the CIF Championships at UC Irvine on Dec. 3rd.

Varsity Football: Period of Adjustment

The 1983-84 Varsity Football Team had a very disappointing season. The coaching staff, headed by Al Taylor, worked very closely with the members of the varsity squad. A competitive Moore League and numerous injuries plagued the Bruins. Despite a season in the loss column, with the exception of two tie games, our gridiron players approached each game gallantly and upheld our tradition of Wilson sportsmanship.

Dedication Paid Off

Dedicated — that's the word for Girls' Swim this year. When most of us are still snoozing, this devoted group is in the pool for morning work-out starting bright and early at 6:00 a.m. They return again for two more grueling hours after school.

Having more depth than previous years proved important for this year's squad. Juniors Karen Leafstead and Denise Kuhn returned from outstanding tenth grade seasons. Seniors Kelly Kirkwood, Tamara Mears, Lisa Peasley and Cindy Loos rounded out the squad.

With such a dedicated team and coaches, the reasons for their success aren't hard to see.

Junior Poloists Capture Moore League

The mighty Bruin Junior Varsity H₂O Polo Team really came through for Wilson this year, by winning the Moore League hands down. Victories against Lakewood, Poly, and Millikan led the J.V.'s to a clean sweep in league play.

Coach Bob Anderson can feel proud of his 1983-84 squad, with athletes like (cap.) J. P. Beay and outstanding players Scott Watkins, Joey Scott, and Eric Greenberg. The time and sweat each one of these Wilsonites puts into Water Polo cannot be measured but it is respected.

Sophomores Win Water Polo Title

1983-84 sophomore water polo exploded, as these young rookies scored victory after victory to take their Moore League Title. Players like Tim In-skeep and Brett Bixby led the attack on beach schools Newport Harbor and Corna del Mar. These and other wins are the direct result of Coach Gruinison, who taught almost all Wilson sophs everything they know. Without his work Wilson Polo would surely not be the power it is today.

Girls "Raque" Up Moore League

The 1983 Girls' Junior Varsity

Tennis Team once again lived up to their expectations by racking up another Moore League Championship. Going undefeated with a record of 10 and 0, under the leadership of Coach Val Hoffman, no other team even came close to beating Wilson. "We have a lot of skill and enthusiasm shown on the court by all of the players throughout the season," commented Coach Valerie Hoffman. Laura Watkins, one of the strongest J.V. players this year, demonstrated outstanding skill, perfect attendance and great leadership.

BRUIN BASKETBALL BABES BOUNCE BACK

Our girls' basketball team proved its talent after a slow start. With many returning lettermen, the Varsity team showed its spirit, enthusiasm, and teamwork. Lead by Sr. Lisa Peasley, who had an outstanding year from the free throw line, the team blossomed as the season continued. Returning Varsity player Kathy Goggin showed real talent in the center position, and high hopes ride on her as a leader on next year's Varsity team. Senior Chandra McQuarn also played outstanding basketball with many assists. The JV team had a fine season preparing their girls' for next year's Varsity team. Varsity Coach A. Mora, and JV Coach J. Eyanson did an excellent job with both teams.

WILSON WRESTLING WILSON

Our '83-'84 Team

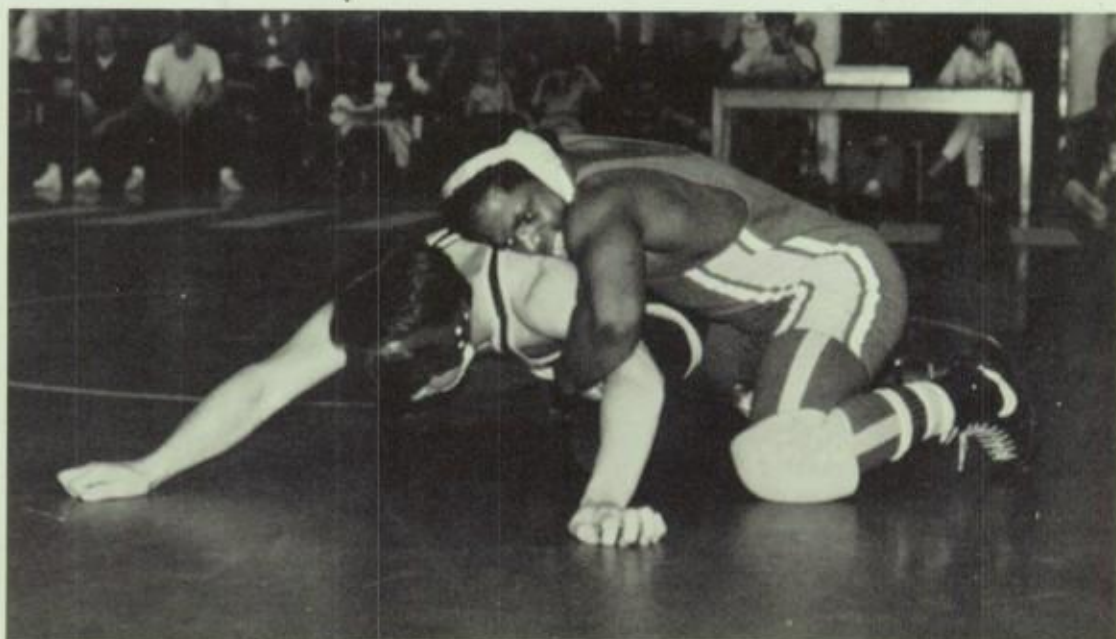

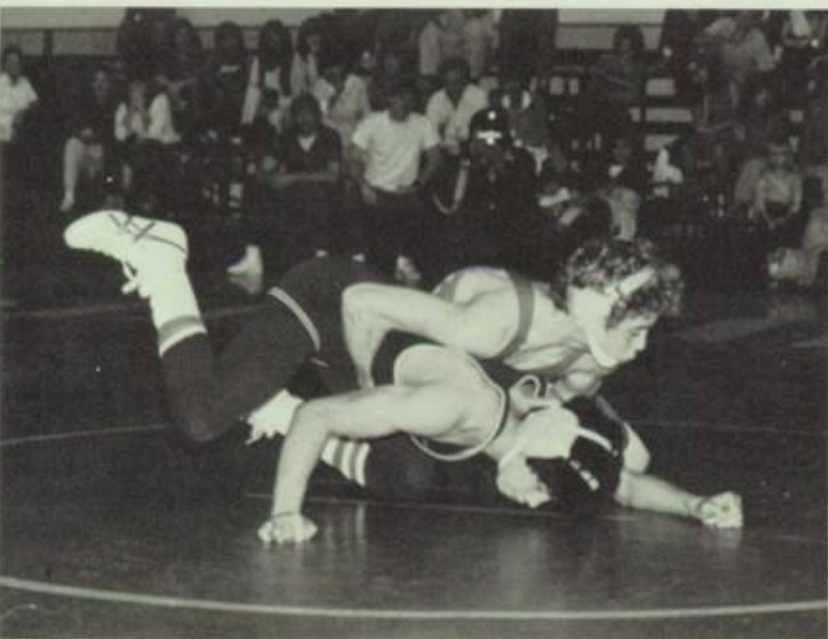

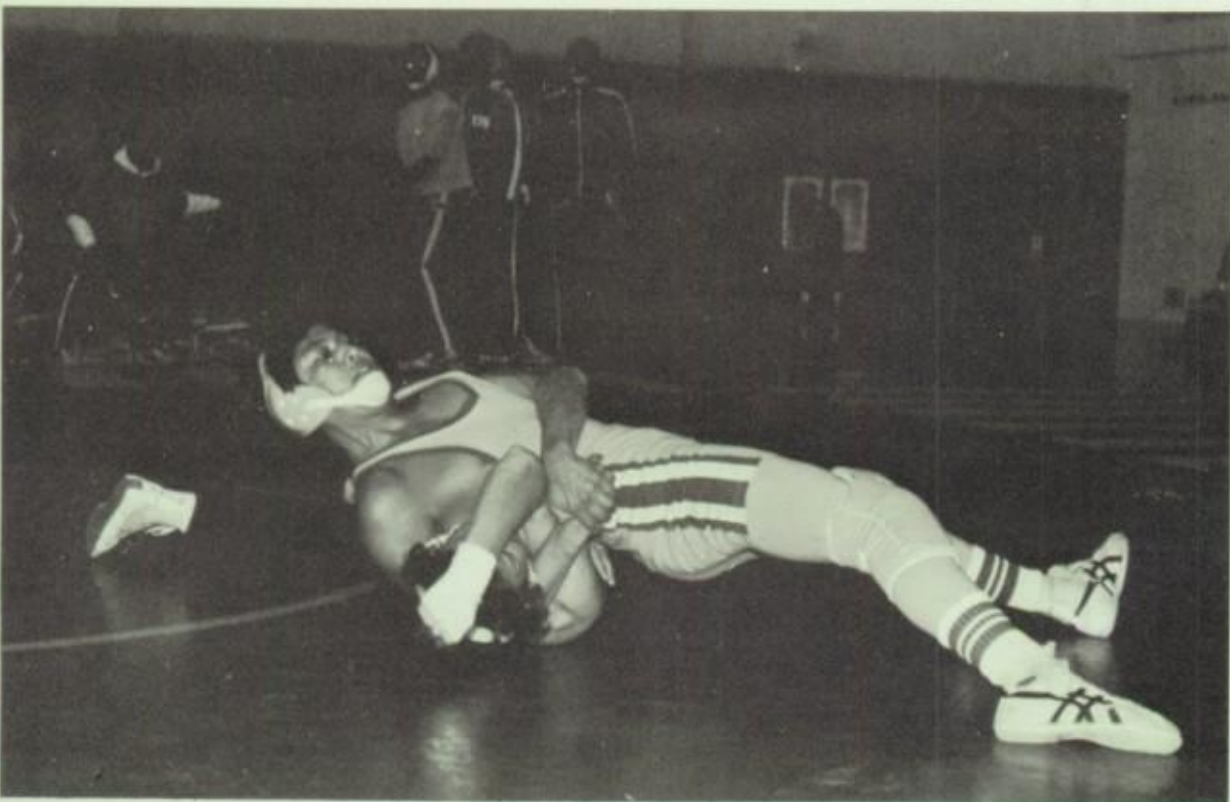

Enduring many disappointments and appreciating many wins, the 1983-1984 Wilson Wrestling Teams ended their season against Lakewood, their last Moore League match. With losses this year against the other schools in the district, the team learned where their weak points were, and what to look out for next year so they can have a victory filled season. "Better luck, better skill next time," and good grappling. A special congratulations goes to Tom "Colonel" Sanchez for his outstanding season.

J V VOLLEYBALL:

Sophomore Stars

The extraordinary all-sophomore Junior Varsity Volleyball Team had a perfect league record this year. With the completion of the season, the team finished 15-1 overall. The team also gained valuable playing time and experience in the Huntington Beach Tournament where they placed a very respectable third. At this tournament, Carolyn Janisch was the outstanding player, achieving a spot on the All-Tournament Team.

Coach Jeff Watten spends most of his time coaching and playing volleyball which may be why our J.V. girls have such winning ways. Coach Watten believes in the pursuit of excellence and doesn't overly stress the importance of winning. For Coach Watten the best part about coaching volleyball is the satisfaction he derives from turning individual talent into a well-disciplined team. Coach Watten certainly did that this year.

Girls' Soccer

Girls' Soccer

Soccer entered its second season here at Wilson after a third place finish and just missing C.I.F. by a flip of a coin last year. Having a tough pre-season against Orange County teams, Wilson Varsity compiled a record of 1-4, while the J.V.'s were 0-4-1. The pre-season proved to be somewhat dismal, however, it was good practice for both teams. After the end of the season, Varsity was in first place with a record of 6-0-1 under the direction of Coach Jeff Watten in his first year. The J.V. team, under the coaching of Dan Heston had a record of 2-1-1 and earned a tie for second place, only because Millikan and Lakewood are the only schools who can field a J.V. team.

With seven returning lettermen and a strong and enthused bunch of new players to Wilson's squad, this season proved to be a success in its second season in the Moore League.

Boys' Soccer

Boys' Soccer

1984 was a year of growth and great improvement for the Wilson boys' Soccer team. Most team members had not worked together previously but quickly learned good teamwork and cooperation. The team practiced two hours every day under the supervision of Coach Klaus Barth. These workouts consisted of stretching, scrimmages and drills in running, passing skills and shooting.

Some outstanding offensive players for the year were Rafael Ruiz and Mike "Miguel" Martinez. On Defense, Captain Mike Hansen contributed a great deal until he broke a hip and had to sit out the season. Roberto Coccioli, the new captain, and Mark Desanti both turned in excellent defensive performances.

The season was generally a good one, most probably due to cooperation and a lot of hard work. The team's attitude is probably best summed up in the words of Coach Klaus Barth, "All I ask is that they give 100% and try their hardest."

Boys' Swimming

This year's '83-84' Varsity Boys' Swim team was awesome! The team's star swimmers were Sophomore Hank Wise, Junior Matt Mitchell, Senior Amos Merkel, Senior Brenden Shea, Senior Dale Inskeep, and Senior Mike Polsky. The teams strongest area of swimming were sprint events, 50 yard freestyle, 100 yard freestyle, etc. But Coach Barth did mention "our breaststroke does need some work". The team seems to be best in all freestyle events, 50 yard, 100 yard, 200 yard, 500 yard freestyle relay events. The Varsity Swim team coach, Klaus Barth, truly likes coaching here at Wilson. He's always wanted to coach at Wilson. Barth has been coaching in the Long Beach School District for eight years. He coached swimming at Lakewood High School for seven years. He is also the coach of soccer here at Wilson. Coach Barth has been involved with swimming and still is involved with swimming. He first came here on a Long Beach State Scholarship from Germany. Recently he has competed in Hawaii for Ironman and he placed 15th. Barth's goal is to be in the triathlon. Coach Barth looks forward to a very successful season. He is very happy to be following in Coach Gruneison's footsteps. Coach Barth genuinely wants to keep the winning tradition going here at Wilson as Gruneison did. Coach Barth quoted "It's hard to be just like Coach Gruneison, people expect the same." "It's hard to adjust."

Wilson's Best

With a new coach and five returning Varsity players, the Wilson Varsity Softball Team showed excellent skill this year at home and on the road.

Fast and accurate pitching by returning Varsity player Jackie Eyre and by junior Julie Morrison (moving up from last year's J.V. team) proved again to be one of the strong points of the team, which was led this year by Coach Cindy Mast, and her assistant Coach Karyn Lynn. With an outstanding lineup, including catcher Beth Van Dyke, outfielders Marcie Hujing and Susie Radcliffe, and an almost all-senior infield including third-year starting third baseman, Regina Marchionni, the team pulled together and made their assault on the Moore League.

Early this season the Bruins took an impressive 4th place in the tough 16-team Torrance Tournament. Way to go, "Gray!"

Bruin Baseball

Although our Bruins had a tough season last year, the odds are in our favor this season. Having a team consisting mostly of juniors last year gave our Bruins a chance to work together and produce a hopeful high standing in the Moore League.

In coach Tereschuk's third year of coaching, the Bruins seem to be improving each year. Some of the standouts for this season were John Eldred, Tim Vanderpool, and Ralph Moreno, who helped our team both offensively and defensively.

The J.V.'s, under the direction of Coach Evans look tough to beat also, with a team consisting of a strong and hard working group of guys.

Varsity Basketball

Starting the season, brand new, was the talk of the 83-84 Wilson Bruin Basketball season. Despite their inexperience, the Bruins improved quicker than anticipated and went on to have a highly successful season. Their overall season record was an impressive 5-5, earning them third place and a trip to the C.I.F. Playoffs for the second consecutive year. Wilson drew Mater Dei in the first round of the playoffs and was defeated 45-35 in a strong performance. Leading the way for the Bruins were seniors Johnny Griffin and Atul Thakker, Junior Jerry Goldsmith and sophomores Darren Rector and Bobby SanJose, Erick Weiss and Russ Pangborn, contributed heavily coming off the bench, and with the age of most of the Bruins this year, Wilson is indeed looking forward to the next couple of seasons.

Wilson Girls Junior Varsity Swimming

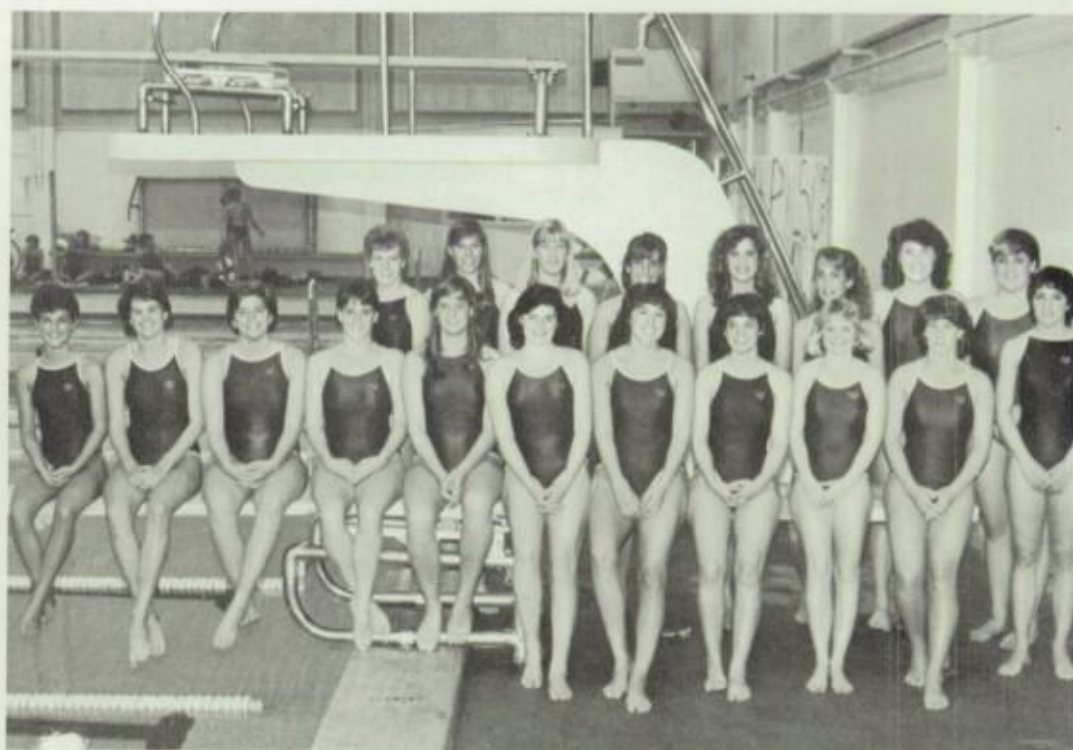

Wilson Girls' Junior Varsity Swimming

Once again, Wilson High School has a very strong Junior Varsity Swim Team. The Wilson girls have never been defeated in league competition. This year they were lead by Juniors Mary Beth Cash, Mary Knox, Tracie Snyder and Stephanie Banks. The entire group of thirty-two swimmers contributed to another successful season.

Junior Varsity Basketball

The Bruins tied for 4th place in the Moore League J.V. race this year. This team improved greatly while playing a very rugged pre-season preparing for the Moore League race. The Junior Varsity this year prepared many individuals who will help the Varsity greatly next year. Among its leaders were juniors James Lee, Walter Nelson, David Nott, Elphonse Brown, Matt Gruniesen, and Sophomores Mike Eisenman, Ray Capterville, and Matt Treece. This group of J.V.'s along with the returning Varsity players should form a fine nucleus for next year's team.

Gymnastics

This year's gymnastics team was lead by Coaches Mark Butler and Annette Pilarca. Mark worked with the team on strength exercises and mostly with the uneven parallel bars and vaulting. Annette worked on poise and dance for the floor and balance beam routines. The team had vigorous workouts everyday and a lot of after school effort was included. Honor Ryan showed her best skill on the bars and floor. Margaret Hollon put style into the season with her excellent performances on beam. Veronica Foster was back for her third year and did great on the vault and bars. The great effort and coaching left the team with a season of which all can be proud.

JV Spirit!

This year's eighteen-girl Wilson J.V. Softball Team was led by Coach Jeff Eyanson, who, when asked how well he thought the team would do this year, said, "First place . . . why should we go for second?"

That statement was the attitude which partly made the Wilson J.V. team this year, the attitude of having fun while you win. The skill of the team was shown by the good pitching of Lisa Allen against all of their competitors, and also the many catches, hits, and throws that enabled them to win. Looking at this team, next year's Varsity Team should do rather well.

Boys Basketball ends excellent season

By Kevin Beadles

It looks as though the Wilson Bruins basketball team season is over. However, the Wilson cagers ended on a high note.

The Bruins overall record was 10-13. Their season consisted of 10 league games, and 13 non-league games. The Bruin cagers pre-season record was 5-8. That record was followed by a 5-5 record in league, which was good enough to give the Bruins a C.I.F. playoff berth. In league play, the Bruins faced Milikan, Lakewood, Jordan, Poly, and Compton. They played each of these teams twice. Against Poly and Milikan the Bruins were defeated in both games of the series. Against Lakewood and Jordan the Bruins achieved two game series sweeps. In the two game series with Compton,

the Bruins split.

The Wilson High team did not look that good at the beginning of the season, because of the fact that there wasn't any varsity experience coming back. But the Bruins still had hope, and they set a goal to make it to the C.I.F. playoffs. Their opponent for the first round was Mater Dei, a team ranked third in the nation. The pick was an unfortunate mishap for the Bruins, but they still went into the game confident. The Bruins lost the game, but it remained very close all the way through with the final score being a ten point spread 45-35.

The starting five for the 83-84 Bruin squad consisted of three underclassman and two seniors. The underclassman included, Bobby

SanJose, Darren Rector and Jerry Goldsmith. The two seniors, also co-captains, included Atul Thakker and Johnny Griffin. Thakker and SanJose were in the backcourt, while Griffin, Rector and Goldsmith made up the frontline. Griffin, who led all Bruins in scoring, has a chance to be Wilson's third consecutive C.I.F. selection. The rest of the Bruins were, Russ Pangborn, Eric Weiss, Steve Gatley, Steve Segelhorst, Todd Sells, Matt Treece, and Patrick Pratt.

Lady netters upset by Los Al

By Angela Dailey

This year's Varsity Girls Tennis team has swept Moore League competition for the fourth consecutive year with a season record of 10-0. In a recent interview the team's head coach, Ms. Betz, stated that the girls have really put out a tremendous effort and have worked hard this season.

Janell Wilkins, one of the teams top five singles players, defeated her teammate, Molly Quest, in a hard fought match in the semi-finals, 6-1, 1-6, and 6-4. Janell won Moore League and Molly was runner-up.

At the doubles individuals, Lynn Oberjuege, and Opal Robinson were runners-up, losing to Millikan High School. These two outstanding players still managed to progress to CIF competition. The winner and runners-up of the Moore League individuals tournament of both doubles and singles went to CIF individuals.

The lady netters completed the first round of CIF competition by defeating Cypress High school 10-8 at Billy Jean Park. The second round was against Rosary at Troy High School in Fullerton where the powerful netters destroyed them 15-31.

Unfortunately the Lady Bruins went down to defeat in the CIF quarter finals against Los Alamitos 7-11.

"It's too bad our number two player, Jannel Wilkins, wasn't with us stated coach Betz, but if she would have been, we would have made the CIF finals. Regardless, we had a very successful season!"

Also capturing the Moore League championship for the fourth year in a row were the girl's JV tennis players. They bested Lakewood

High School 11-7 in the last match of the season. Heroic efforts in the singles were made by Traci McBride (3-0), Heather Whelan (2-1), and by Laura Watkins (2-1) who won a crucial tie-breaker. Nancy Presser and Julie Young were the winning doubles team of the day (3-0), strongly backed by Shauna Cameron and Zoe Argyres.

Two of the team's players, Yafa Hein and Laura Watkins, stated how they felt "It was a relief to have won the last game. Usually JV doesn't get recognition but the feelings of winning are all the same."

Lady swimmers dominate

By Kevin O'Connor

The 1984 girls swimming team will be opening Moore League today at 3:00 against Millikan at Millikan.

The mighty Bruin Aqua-women are 3-1 in dual meets with Victories over Marina, Newport, and Miraleste, with the lone defeat coming at the hands of Fountain Valley. They have also placed first and fourth in two different tournaments.

The top Bruin swimmer is junior Karen Leafstedt. Last year she won the Moore League in the 200 yard freestyle.

"Karen is so versatile she can swim just about anything she wants to," stated coach Kemp.

The Bruins are also led by Tri-captains Lisa Gilliott, Brenda Hinsche, and Tamara Mears. Gilliott swims 100 yard breast and butterfly, with Hinsche swimming 100 yard breast, and Mears swimming 50 yard freestyle and 100 yd. freestyle.

The Aqua-women are a team with a lot of depth and hope to repeat as Moore League Champions.

"The key to success is depth," stated coach Kemp. She went on to say, "In most dual meets you earn points for the top five finishes in a race and you enter three swimmers, so with out

any depth you can't win."

Other top Bruins are Shelly Beay 500 free, Gayle Gauger 50 free, Marcy Kennedy 500 free, Kelly Kirkwood 200 individual medley, Maria Locke 200 individual medley, Cindy Loos 100 back, Daryn Midough 100 back, Lisa Peasly 50 free, and Madelin Rabin butterfly and breast strokes.

Lisa Peasly (top) and Brenda Hinsche (bottom) work hard for Girls Swim team.

Hanson was a key player in Wilson's defense, and without him the Rams managed to score two goals from the outside. This proved to be their margin of victory. If he (Hanson) hadn't been hurt, Wilson might have won the match, and the rest of the season will be tough for Wilson without him. It looks like JVs (now varsity) John Clark, Jeff Hodges, or Mitch Heath might replace him. Rafeal Ruiz, another Wilson stand-out, had a slight injury to his thigh but will be back in action soon.

Senior men giving spirit to games

By Laurie Tatreau

Have you ever wondered why there's not a boy's cheerleading squad or a boy's pep team? Well, one of Wilson's newest campus clubs is about as close as we can get. Senior Men's Council was formed at Wilson over Christmas vacation last year. It is a spirit-oriented group of senior men who "root-on" their sports teams with a great amount of effort.

The only requirements to be in this club, are that you must be a senior man, of course, and in addition, you must also have a fairly good G.P.A. The sponsor of the council is Mr. Hansen, our new activities director. At the present time, there are about 25 members. Meetings are held about once a week during their lunch periods so that they can discuss their "game plans!"

One member of the Senior Men's sees the club as somewhat similar to Zygomias. "Members of Zygomias show their spirit and support by making baked goods and signs for team members. We show our spirit by attending games and rooting on our teams the best we can!"

The president of Senior Men's Council, is Tony Anderson. Vice-President, is Scott Apel, and there are six members serving on the board.

Senior Men's becomes most active during basketball season. Last year some of Wilson's basketball players even claimed they had a direct effect in their first win over Millikan.

So show your spirit, join in along with Senior Men's Council, and everyone will see what Wilson is really made of!

3rd L.B. marathon a running success

By Jackie Schmidthans

Marathon race- a running contest over a course of 26 miles, 385 yards; first held in Athens, Greece, April 1896; named for the legendary run of Pheidippides from Marathon (a plain in Attica, Greece, scene of a decisive battle, 490 b.c.) to Athens to announce the victory.

The Long Beach Marathon was started by a group of early morning middle-aged runners at the YMCA a few years ago and has rapidly grown in size and stature. In its brief history, it has become the major race of its kind in Southern California.

Now, in its third and biggest year, the registration ceiling was 3,200, up 800 from last year and twice the size of the first race in 1982. They were not all runners. Competition was held in race-walking and wheelchair divisions. 2,517 racers finished with official times.

The race started at 7 a.m., Sunday, February 12 at the Long Beach Convention Center Plaza on Ocean Boulevard. 1300 unpaid volunteers were deployed throughout the course to attend to runners.

This year's marathon was won by 24 year old Ron Cornell in 2 hours, 17 minutes and 45 seconds. In the women's division, Donna Chin of San Diego was first in 2 hours, 48 minutes and 27 seconds.

Several Wilson students participated in the big race either as runners or volunteers. Two outstanding runners were Mike Day and Lucky Silva.

Coach Rick Jones comments, "We're half way between dog meat and being great!"

The Bruin softball team finished the first half of Moore League in third place behind Millikan and Lakewood with a record of 3-2. The Bruins face Compton on Tuesday, May 8, and Lakewood on Thursday, May 10. "We should do better in the second round because we are more experienced," coach Mast stated.

Badminton

The Bruin badminton team has won its eighth consecutive Moore League title with an undefeated record of 10-0. The Bruins are sending five of the six league representatives to the CIF playoffs. They are Moore Leagues singles champion Tracy McBride, Moore Leagues double champions Tia Dimang and Kim Ly, as well as double runner-ups Nancy Kimber and Martine So. CIF begins on Friday, May 11.

Coming back from a strong 1983 season, the 1984 Girls' track team was something to look out for. They were led by five strong runners: seniors June Kansopan, Michelle Motley, and Doris Painter, junior Michelle Jacobsen and sophomore Paulette Painter. With these girls leading the team a Moore League Championship was sure to come our way!

Next year the team will be led by Michelle Jacobsen who says, "This years team has improved a lot because alot of hard work during the summer and a massive amount of spirit and enthusiasm." The girls help each other out a lot and that's what makes the Wilson High School Track Team the best!

Boys' Track Stays in Stride

This year's track team looked forward to a re-building year with few returning Varsity runners. Nevertheless the Varsity squad was highlighted by some very fine athletes. Victor Parker and Scott Taschner led Wilson in the 100 yd. dash and Brian Hagerty led the field in the 440. In the distance events senior Carlos Lopez (Cross Country All League Selection) and junior Aaron Dement led the way. Tony Anderson and Lance Ringheim were the power of the shot-put squad. John Ryan, one of the Varsity stars was seated first in the triple jump, long jump and pole vault. The sophomore team looked very strong this year. Brian Powell and Jerry Saba were the speedsters in the 100 and David Greenberg and Lucky Silva were the forerunners in the distance events. Coach Jim Lineberger took charge of the track team this year with the assistance of Jim Johnson, Joe Riddick and Charles Mertz.

Wilson Boys' Tennis Volleys to Victory

The Woodrow Wilson Boys' Tennis team rose to great heights once again this year by capturing the Moore League Championship in both the Varsity and Junior Varsity levels, proving again that Wilson High is the driving tennis force in the Long Beach area.

The team was led by outstanding players such as Pat Crow and David Scantling (all-Moore League Players).

Coach Jon Meyer did an outstanding job as the new coach, after Mr. Hendriks retired late last year.

Once again, congrats to the Bruin Tennis team for carrying on the Wilson tradition of winning.

Linksters Dominated the Green

Endless hours of practice before and after school was just one of the many sacrifices made by the 1984 Wilson Golf Team. All the hard work put in since last June was proven by this season's results. Under the guidance of Gene Rowland, the two returning senior letterman, Richard Miller and Mike Kitching, helped lead the team meet the demands set upon them. The adjustments of being together for only two years placed on Coach Rowland and the linksters were tough, but both came through with flying colors. An outstanding group of Juniors led by Brian Meckna and Bruce Forster should assure the

team great depth in the Varsity and J.V. squads. Two talented sophomores, Tony Gill and James Chester, were strong contenders in their Varsity positions.

Badminton Wins Eighth Moore League Crown

Badminton has proven again to be a Wilson specialty and this year's teams continued their fine reputation. This year's Varsity team contained many talented players. Kim Ly and Savathiya Dimang were outstanding doubles players, and Traci McBride dominated singles and will be returning to next year's Varsity team.

Coach Betz was quoted before season and stated confidently, "We have another outstanding team again this year. The girls are highly motivated and working hard to capture an eighth consecutive championship in badminton for Wilson High School. With this type of dedication and determination, success should be ours."

The girls' performances were as high as predicted, dominating Moore League and upholding their fine tradition as champions.

Juniors at It Again

This year's Junior Class Government was very busy. The spring semester president, Monique Lawee, ambitiously made this year a memorable one. The biggest goal of Junior Class Government was to raise money for the Senior Prom and to raise money for the rally platform. One of the major fundraisers held was a candy sale in which the whole school got involved. There were also bake sales, bagel sales and carwashes. Their plans for the Spring Fair gave them another chance to get enough money for all their Senior Prom plans. Monique stated, "I have confidence in the members, I know we can accomplish what we plan". Their budget started low but they worked really hard to raise the budget higher. I would like to congratulate the whole Junior Class Government, Fall and Spring officers. You guys really worked hard and it showed.

SOPHOMORES

Sophomore Class Council

The 1983 Fall Sophomore Council started off great. The outgoing Mr. Anderson was the sponsor of twenty spirited sophomores. They were involved in planning many activities, such as Homecoming and bagel sales. The energetic sophomores made our first semester at Wilson fun and successful. Kristi Faber, Fall Semester Sophomore President.

The Spring Semester Council was very active in raising money for the rally stage. We sold candy bars to raise the money. We also planned a dance at the end of the year. Robin Harrington, Francee Westlund, and Mr. Anderson were also a big help to the Sophomore Class, a special thanks to them for their help. I hope the Sophomores had a Spring Semester that was as fun as their Fall Semester. Stephanie Fernald, Spring Semester Sophomore President.

The 1983-84 magnificent Wilson majorettes were Francee Westlund and Jennie Clements. It takes a lot of hard work to be a majorette especially for sophomores. They spent many hours of hard work trying to get their routines perfect; they did a really great job.

The fabulous Wilson marching band was invited to perform at Disneyland this year. Even though Mr. Sandburg was not able to attend, the band did tremendously. Mr. Sandburg would be the first to acknowledge our sophomores talented contribution to this musical unit. The band has already been asked to return next year.

Principal's Message

Questions have been asked. Why a rose garden? Why a \$4,000 display case with a bear inside? Why new lights for the football field? Why a new weight room? Why a new basketball scoreboard? And why a \$50,000 Memorial Chime/Clock Tower? With each project—especially those with expensive price tags — the question is again raised by many.

The answer is simple. To continue to build on the pride which is already such a strong and dynamic tradition at Wilson. This school remains a great school because thousands of people who know it love it and support it. The Bruin Spirit grows with each class that enters its halls. Each of you is a part of the Wilson tradition—unmatched pride in a great school. This doesn't just happen; everyone must continue to do what he can to build on what we have. Join together in pledging your support to your alma mater.

Administration '84

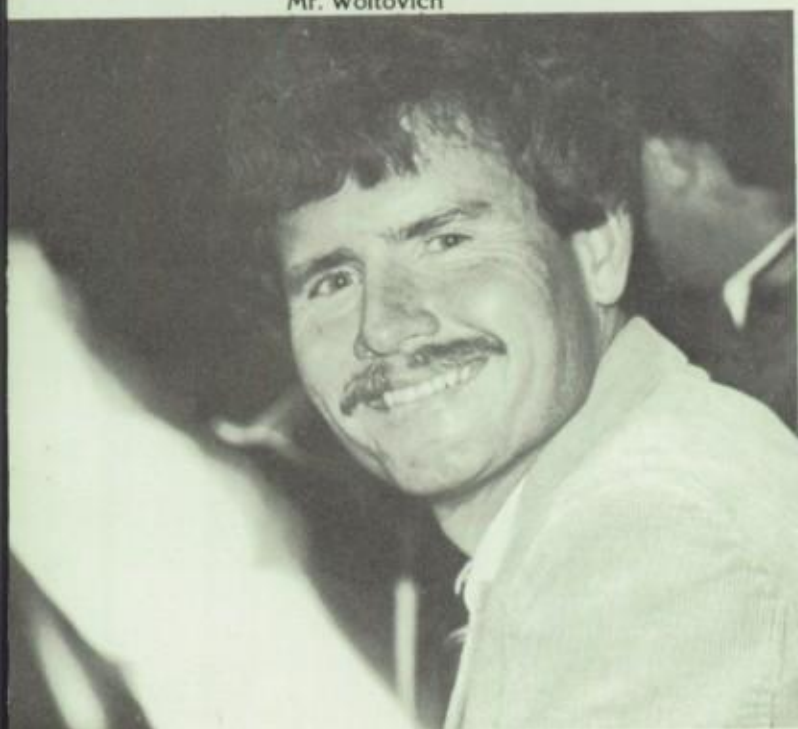

"By far, the best team I've ever worked with."

Mr. Voitovich

That sums up the attitude of our administrators this year. Through dedication, school spirit, and caring attitudes, the Administration gave Wilson the best year ever. You could always count on seeing them standing on the front stairs wishing everyone a nice day and giving you a cheery smile.

This year there was a unique blend between administrators, teachers, students, parents, and the community. A strong example of this was evident at the Campanile Tower Dedication and Pancake Breakfast.

This year we had two new faces come into our administration staff here at Wilson. The first of these was Mr. Victor Backstrom, the Sophomore Assistant Principal. Then you have Mr. Keith Hansen, the new Activities Director, whom you can always see participating in some sort of event.

Mr. Hansen

Counselors Guide with Pride: New Faces in the Guidance Center

The counselors again gave it their all for Wilson High School this year. Led by head counselor Paul Honey, the team guided students in their educational and occupational interests. New to the staff this year is Mrs. Williams, who is thrilled to be at Wilson. Also new, filling in for Mrs. Holzman, is Ms. Ann Slattery. With such a group of hard-working, industrious counselors, how can our student body go wrong. Mrs. Landon always supervised the scholarships and college applications. Mr. Riddick led our working students. Mrs. Holzman is now a roving counselor visiting all five senior high schools. Her new job is to counsel tenth graders. Being appointed to this newly created position is an honor and we should all be proud of her respected accomplishments. Mr. Thomas Bagshaw is completing his twenty-fifth year as a counselor at Wilson. Mr. Bagshaw has a special spirit, and to his close friends, a special sense of humor. We will all remember his long years of service and take pride in having known and worked with him. To one of the finest counseling staffs in California, thank you.

Wilson's

All Wilson teachers are dedicated, but these

four teachers have proven their dedication many times over the years here at Wilson.

"Wilson meets the needs of the student body," states

Martha Walker. This is her 35th year here with her much loved sight students. In that 35 year span she somehow found time to coach the Varsity golf team for nine years.

Designing and making her own ethnic clothing is one of Phyllis Fulton's favorite past times. In the 33 years she's been with us here at Wilson, she has taught many different kinds of classes. "Doesn't matter what class I teach, I enjoy it. I like the kids; high school kids keep you young."

Graduate and captain of the football team here at Wilson, Gene "Skip" Rowland went on to teach at his alma mater. Leading his players to many victories and sponsoring the formation of the Wilson "Athletic Hall of Fame" are just a few of Mr. Rowland's most pleasant memories during his 32 years here at Wilson High. "Wilson is the best and most unique high school."

Emerson Betz contributed greatly to the newly finished Campanile Bell Tower. In the past 28 years of teaching Industrial Arts, Mr. Betz has enjoyed working with his students.

Victor Parker

Victor Parker, a fine Wilson student, won a 2000 dollar scholarship from the Business Career Development Program earlier this year. Applicants from all five Long Beach high schools were required to compile a written notebook in-

cluding an autobiography, college plans and ambitions. Semi-finalists went on to personal interviews with top Long Beach officials. Victor is also actively involved in volunteer work and runs on the Varsity Track Team.

Peri Hansen

The NCTE Award, National Council Teachers of English, is a most competitive and prestigious award. Peri Hansen, an outstanding student, was the recipient of this award.

As a junior, Peri was selected by her English teacher, Mrs. Polkosnik, to enter this competition, demanding superior writing skills. She was chosen, along with several other Wilson students, to advance to the final competition based upon her response to an impromptu essay.

In the finals, Peri submitted a response to another impromptu and a prepared sample of her best writing, a short story, originally written for an English assignment. The students were asked to comment on the meaning of the phrase "the quality of life" and refer to two literary figures whose actions supported their thesis.

In September, Peri was notified along with other students from around the country, of her National Council Teachers of English award. This academic award was presented with a certificate by her counselor and Mr. Eveland. Peri is truly an outstanding example of the academic excellence found at Wilson High School.

Amy Stillman

Amy Stillman is yet another Wilson hopeful for the olympic games in the category of Equestrian Riding. Amy has been riding for six years now, and is trying to qualify for the Olympic Team by competing in shows. Next it's on to the Grand Nationals where you are chosen to be on the team or not. This sport is one of the more difficult and it takes a lot of time and dedication. Amy has made riding her top priority, but that doesn't stop her from getting good grades. Her future plans are to attend U.C. Davis and, of course, keep on riding.

The Campanile Editors, Tricia Krause and Tracy Langston, showed our principal, Mr. Ed Eveland, the proofs for this year's cover. What a shot! What a look! Waht a cover!

Wilson Staff Sparkles

1. Always greeting us with smiles are: **From left to right:** Beverly Nelson (vice principal's secretary), Cleo Dominguez (textbook and payroll assistant), Betty Miller (supplies and switchboard operator), and Marge Porter (principal's secretary). 2. Our Student Body Banker, Charlotte Reynolds, kept accurate records on all our money. 3. Beverly Galbreath, Student Store Clerk, graciously greeted student consumers. 4. Principal's secretary, Marge Porter, takes time out of her hectic day to smile for our camera. 5. Our cafeteria staff brewed for the Bruins. **From left to right:** Aletta Long, Jeanette Pickens, Linda Christensen, Ruth Dodgen, Irvin Bridgewater, Nancy Fitzgerald, and Rodou Loizides. 6. Choral Accompanist, Gloria Good, set the tempo for our choral performers. 7. Wilson's Staff Assistants ensured safety. **From left to right:** Gale Leaders, Neal Stumph, and Dolle McGrane. 8. Mike Schwen put litter in it's place. 9. Media Center Assistants, Karen Good and Karen Kerman check over audio-visual equipment.

Help could always be found in the Guidance Center. **From left to right:** LaJuana Rudy (counselor's clerk), Sue Allen (records clerk), Diann Clark (admissions clerk), and Ethel Whelton (counselors' secretary). 3. Diane Gleason, Boys Attendance Clerk, signs another readmit. 4. The Operational Personnel helped keep Wilson in order. 5. As the whole school knows, if Mrs. Whelton doesn't have the answer to a question she knows where to find it. She has proven her generosity and kindness with all who know her. She is truly a Wilson treasure. 6. Beverly Nelson, the Vice Principal's secretary, was one of the kindest and most helpful individuals on campus. The yearbook staff owes her a great deal for all of the time she put into helping us complete this book. 7. Custodian Alverta Golston (left) and Girls Locker Room Attendant Julie Labrecque (right) take a well-deserved time out.

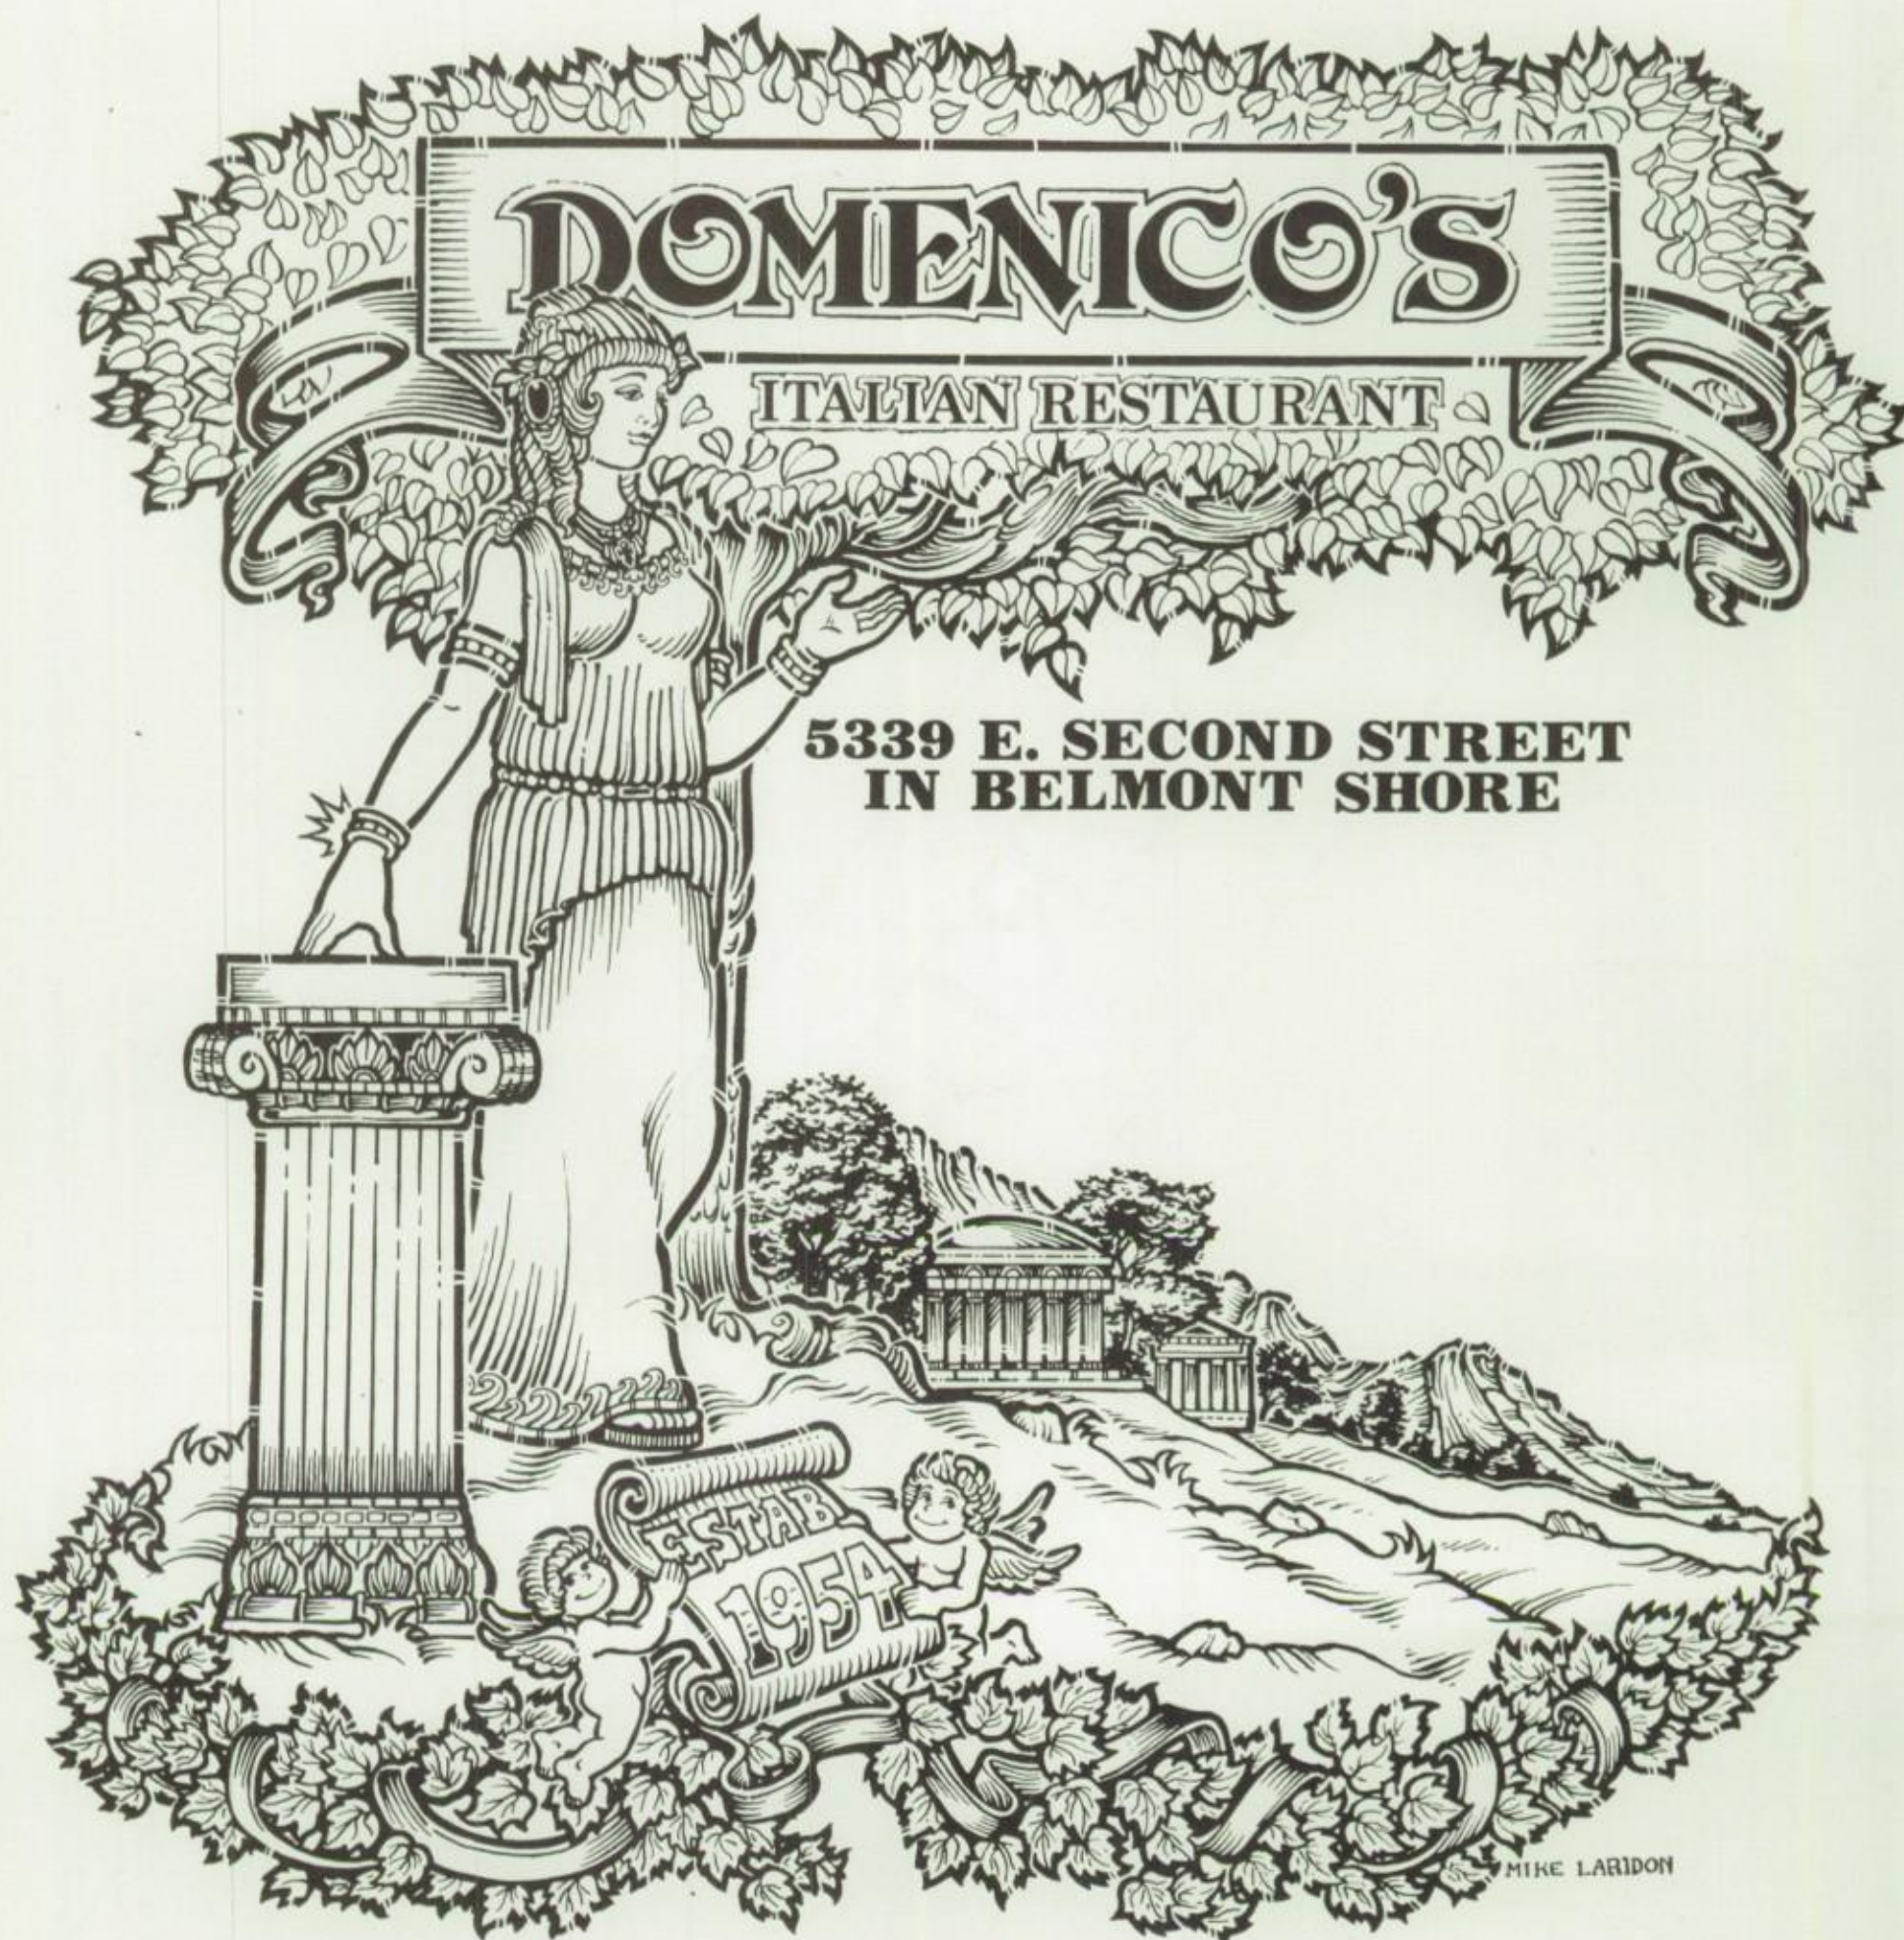

Welcome Mrs. Porter

We, at Wilson, would like to welcome you to our school. We are proud to have you as our new principal's secretary. We hope you have enjoyed our students, faculty and staff as much as we have enjoyed your always-present smile and optimistic words. We all look forward to many more years of working together.

Pam

You're the only girl for me. We have a special love that has grown over the years that I will never forget. No matter what happens my love, you will always be the girl I love.

Your eternal love,
Ric

Lisa,

It's been really fun three years here at Wilson. I'm glad we met when we did. Good luck in the future. I hope to remain in touch and good friends.

Love Always,
Ben

Well, this is it. This is what we've worked on, joked about, worried over, fought, cried, and smiled for and here it is: Our dream — now reality. Without everyone working together, it never would have happened. Tracy — we pulled our ideas and got a beautiful cover and book to remember. Randy — without your shoulder I would have never made it through. Thanks for those long talks. Mike, you were there to pull the stuff together at the last minute. We'll all remember "Stevie-Bear" and those great-smelling proofs. Good luck next year, especially Patti and Kim. No book will be as great, in my eyes, as this one, and yours will be the same. Staffers — be proud of all your hard work, and **never** let **anyone** take that away from you.

Have a great Voyage!
Love, Tricia

Spanish classes travel again

By Budd Barmeyer

All you Mexico fans out there pay attention. Mr. Anderson's 7-8 and 9-10 Spanish classes are going to Mexico again this year. On January 14, his class will depart on a trip full of fun and enjoyment until the 16th. Mr. Anderson's annual Mexico trips in the past have been rewarding. The last two years turned out pretty well.

Mr. Anderson is a teacher here at Wilson in foreign language. In an interview he said, "By going on this trip, we hope to gain knowledge of the country and the culture and hope to practice our Spanish in the native country."

The class plans to travel to the famous Bufadora. The legendary Bufadora is where the raging ocean shoots up through a crack in the rocks, passes through a wind tunnel and shoots the water high into the air. This tourist site attracts hundreds of people a day.

Only a select 25 people will be able to attend the cultural trip. All students will get there by private cars, most going with friends. The cost will be \$60 per person. This takes care of the room, food being separate.

A new license has its bad times also

By Shawnean MacFaden

Most Wilson students are able to drive or will soon be able to drive. The first thing that comes to mind is, "What kind of car shall I get? Maybe a Camaro, Trans Am, or a Porsche." Then it hits them: "Who is going to pay for it?"

Whether you drive your parents car or your own car, you are still responsible for the many expenses. Some of these expenses are, gas, oil, insurance, and repairs.

It seems you become very popular when you find yourself holding a new driver's license. You can quickly become a local chauffeur. Also, the places you and some of your friends want to go are getting farther and farther away and the gas tank seems to be a "bottomless pit" at the pumps.

The price of insurance seems to never stop and for teenagers, the case is even worse. Teenage drivers are believed to be high risk, even before they are driving.

The thing that most students have to think about is the amount of money to be spent on their car when they buy it. Most end up getting a used car, because of the lower prices. Not all, but some used cars are constantly breaking down and need frequent repairs.

After going over all of these facts, you must come to your own decision about buying a car, but if you think you can handle the price, then it might be worth the sacrifice.

Mr. Anderson would like to have parents join the students on the trip. Only a few can attend but they are encouraged to talk to him about it.

He is very excited for his classes and thinks it will be very rewarding.

He and his classes plan on going to Ensenada, Mexico to see the people, their families, and how their society runs. His classes should receive an excellent on the spot education by mingling with the townspeople and

shopping in the little clothes shops and souvenir shops. In talking with some of the students about the trip, they were very energetic.

Some think they should stay longer, but all of them could not wait for three days of solid fun and games with just the right amount of learning and supervision that Mr. Anderson will give them. This trip is something this class will remember all through their lives as a cultural and memorable experience.

Long Beach shows what TV and movie producers want

By Paula Coony

Many people think Long Beach is a boring city with not much to do, and to see. But many producers, and location managers for various television shows, and movies would argue. It is not a very well known fact, that Long Beach has been seen in many movies and T.V. shows, not to mention the numerous settings for commercials filmed in Long Beach. Many times, the city represented is not Long Beach.

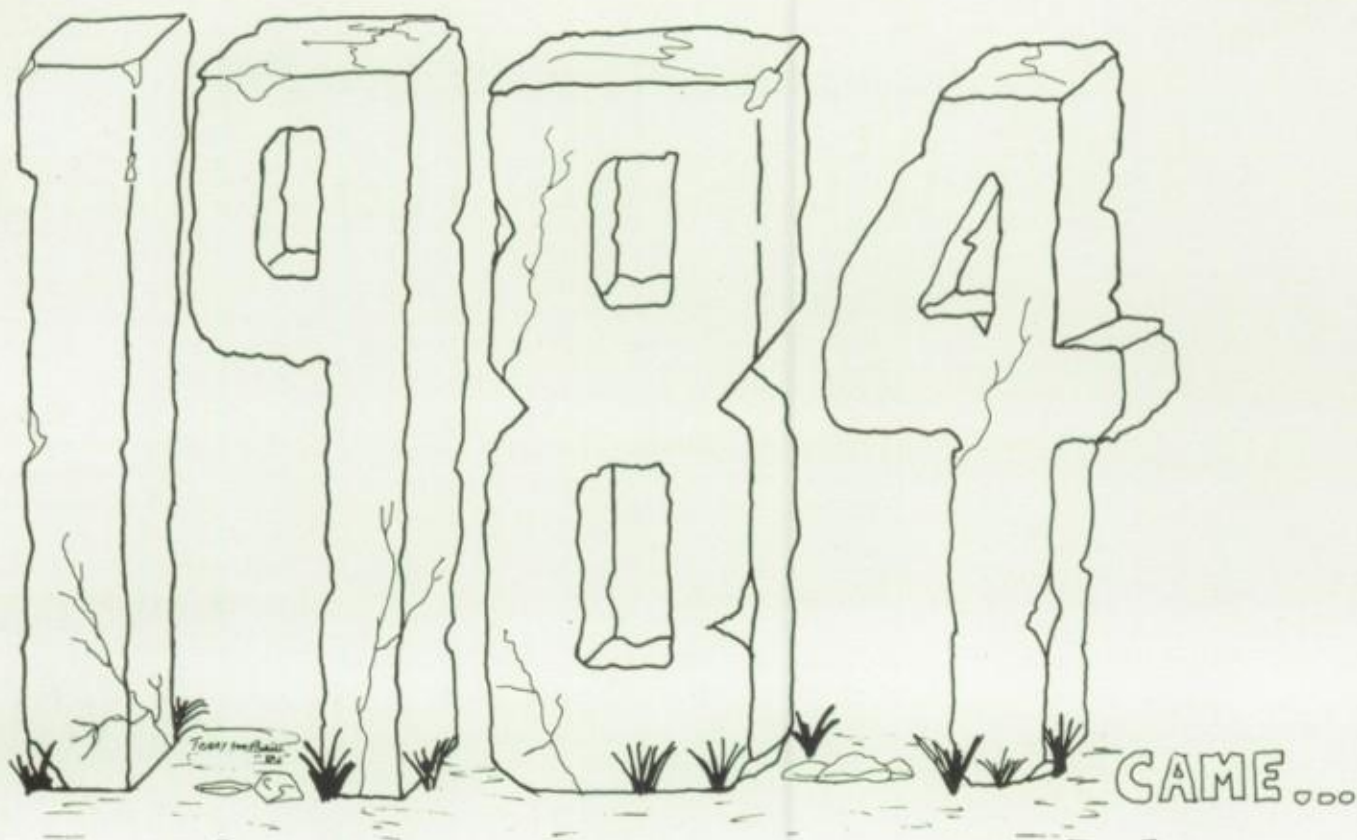

One of the most popular settings for movie-making in Long Beach is the Hotel Queen Mary, also a very popular tourist attraction, bringing hundreds of thousands of people through its ticket gates. To name a few of the movies, and T.V. shows filmed on the Queen Mary; "The Godfather II", had a few scenes filmed there, that never made it past the cutting room floor; "The Execution of Private Slovic", with Martin Sheen; "Flashdance" used the brass doors of the Grand Salon; "The Gumball Rally", "Harry O"; "Poseidon Adventure"; S.O.S. Titanic"; "Under the Rainbow"; "Winds of War"; and most recently, "The Lonely Guy", Steve Martin's latest work.

Other local shots, not on the Queen Mary, but filmed in Long Beach are: a helicopter chase scene in "The A-Team, a helicopter crash scene from "Blue Thunder", a recent show of "Cutter to Houston," Dan Gurney racing through the streets of Long Beach for a Toyota commercial, and a Naples Island home used to portray the posh setting of "Matt

Houston".

Not only does filming various T.V. and movie settings help to put Long Beach on the map, but, it helps our city's revenue. The film makers are charged daily for a permit fee, (\$400.00) and each additional day is \$100.00. That doesn't even include how much the average film crew spends on various items such as food. The film company must also have at least one police officer and one fire fighter present at all times of filming, and the film company is responsible for their salaries, often at overtime rates. This is especially important in such cases as faking a car crash on a busy street. This involves quite a few people. The Port of Long Beach handles its own film permits. These rates are lower. \$100.00 for as many days as are necessary. The city received close to \$25,000 in permit fees in '82-'83, and the L.B.U.S.D. billed film companies over \$88,000 for police assistance.

One of the reasons film producers don't go to Hollywood anymore, is because they say Long Beach has a new look. One reason for the new look is all of the constant construction and renovation in our city, especially in the downtown areas. "Hi-Tech" architecture, and new modern "Hi-Rise" buildings, like the new Arco building on Ocean Boulevard are a great attraction, as are Long Beach's long winding streets down by the Shoreline Village, where many of the crash scenes are filmed.

What would Winston Smith think of our 1984? It certainly isn't the nightmare world that George Orwell projected in his classic novel of bureaucratic society gone mad. By contrast our world seems pleasantly mundane. No telescreens watching and listening to our every move but television controlled by the user for entertainment and informational purposes, often tiresome but seldom dangerous. No brainwashing Ministries of Truth, Love and Plenty, but departments of the interior, treasury and foreign affairs, all of which are kept in check by a watchful public and press. Most important, however, is the fact that we have no Big Brother — but a person chosen by the people in a general election (which will be held once again this year) who can be removed from his position of power by the same people.

Because people have been waiting anxiously for

this year since Orwell's book first gained notoriety, it has taken on a certain ominous significance. Fortunately for us, the horrifying police state predicted by Orwell has not come to pass—perhaps because his book sent out such strong warning messages. This is not to say that we are without cause to worry. Many facets of our society now seem as obsessed with efficiency and people obsessed with security as Orwell's world did. But at what price will this efficiency and comfort come — a loss of personal freedom and dignity, or will people refuse to give up the fundamental human need for autonomy and integrity?

While all seems clear for us now, we must always be aware of the world around us, because there's always 1985.

Recap

The year 1983-84 was a sure killer
Especially Michael Jackson and his
"Thriller".

Bowie, Police, and Duran Duran were a part
of the sound

But the movie *Terms of Endearment* had
been found.

Computers became a popular scheme,
Videos became America's scene
U.S. lost its America cup,
And a free ride to City College had been cut.
Sally K. Ride was the first woman in space,
And then there was Jackson and the
Democratic Race.

The new Bell Tower began to ring,
As we will all remember one special thing . . .
The school year of 1983-84.

About This Book:

Many people have no idea how much work is actually put into compiling a yearbook. Many, many tireless hours, days, weeks and months were spent this year on the publication. Deadlines were always just around the corner, and we managed to make every one. It has been with the help and understanding of our fine administrative staff, the special favors from teachers and cooperation of our coaches, along with a fantastic new publishing company and representative Steve Eddy, that we've been able to reach our goals.

We take great pride in this yearbook that you are holding. This is what we've worked on and planned for since the start of last summer. This is a unique book in many ways. We are the only school in the Long Beach district to ever put together 96 color pages. This year's total number of pages exceeds previous years by a full 16 pages, including many new features highlighting Wilson students and special events. The cover was created to depict Wilson with its strong history and promising future. Without the help of Terry Brill and Jennifer Courdy, the artwork wouldn't be so spectacular.

We take great pride in Wilson, and have tried to convey this feeling throughout the preceeding 255 pages. Our goal was to capture the year in pictures and words, and present it in such a way so that everyone who looks at our yearbook would learn what we already knew, what greatness Wilson has had to offer us.

Have a
Bitching summer
and stay out of
trouble. Don't get high
to much Joe. Just stay cool
and don't be a fool.
